10th Line Osprey

The tea meeting at Providence on New years evening was a grand succdss and the splendid amount of $53 was raised to be applied on the debt on the church. There were enough eatables left to give a 10c social on Thursday evening, bringing the sum total up to nearly $65. There was a splendid program and the people enjoyed themselves thoroughly. Too much praise cannot be given the ladies for things provided, especially Mrs. T. Cooper and Mrs. J. Ottewell who contributed so largely to its success in its initial stage.

Court Feversham, No. 534, C.O.F., elected their officers on Friday evening last for the ensuing year. This court is in a prosperous condition, having 42 members in good standing and $115 in the treasury.

Miss Jean Rogers has returned to her duties at No. 5, where she will teach another year, this being the third year for her to teach in this section.

Miss Watson is also teaching in No. 6 for another year.

Mr. Dan Murphy is spending the winter in these parts.

Mr. Anderson of Collingwood is the guest of Harvey and Charley Perigo of Feversham.

Louis Whewell of Arcola, Sask., is spending the winter in Ontario and is visiting friends in this part at present.

Mrs. McGowan of Ravenna visited her mother, Mrs. John Weldrick, the past week, also Mrs. Buchannan of Rock.

Mr. Joe Henderson of Rob Roy has purchased 50 acres of land from Charles Hawton, said land lying alongside his own farm, making one of the best farms in that neighborhood.

A great many people are complaining of colds at present.

We are sorry to learn of the death of Mrs. A. McGirr, sr., whose remains were laid to rest in Meaford cemetery on Saturday last. Mr. and Mrs. McGirr were respected residents of Feversham for 35 years, Mr. McGirr being postmaster at that place for about 30 years. We extend our sympathy to Mr. McGirr in his bereavement, but believe his loss is his departed loved one's gain.

The thaw of last week and mild weather following has spoiled the sleighing for the present, but we may console ourselves with the thought that we never saw finer weather at this time of year.

A Jamaican Lady Speaks Highly of Chamberlain's Cough Remedy.

Mrs. Michael Hart, wife of the superintendent of Cart Service at Kingston, Jamaica, West Indies Islands says that she has for some years used Chamberlain's Cough Remedy for coughs, croup and whooping cough and has found it very beneficial. She has implicit confidence in it and would not be without of it in her home. Sold by W. E. Richardson.

BUCHANAN

Mrs. Matilda Buchanan died at the home of her son, Joseph, Meaford Road, Artemesia, on Friday last, Jan. 4. Matilda Carson was born in the county of Tyrone, Ireland, in October 1824 and passed away from this life Jan. 4, 1907. In 1846 she was married to the late Wm. Buchanan then of the same county. A few months later they came to Canada, spending two years near Brampton and moved to Artemesia in 1850 where they lived on the gravel road six years and eventually purchased the farm now occupied by their son, Mr. Jos. Buchanan of the Meaford Road. Her husband died in March, 1892 in his 68th year. She was a christian from very early in life. Although no one can remember the date of her conversion, yet her earnest, consistent life has been sufficient proof to those who knew her best. She had been very poorly for some time and the end was very quiet and peaceful. The funeral took place on Sunday to Markdale cemetery. Four sons and a daughter remain to mourn her loss—Robert of Oxmead, William, John and Joseph of Vandeleur, and Mrs. W. J. Richardson of the 9th line, Euphrasia.

A Pastor to Retire.

On Sunday after service in the Presbyterian church Rev. L. W. Thom called his session together and announced to them his intention to retire from the pastorate at the end of six months. The resignation was placed before the Presbytery in Orangeville on Tuesday. We are uttering no platitude when we say that very many people learned of Mr. Thom's decision with extreme regret. He has been pastor of the church for the past ten years and during that time a large debt has been cleared from the church here. As citizens both he and his estimable wife have come to be considered an essential part of the social life of our village and it is not alone among the members of his own congregation that their departure will be keenly regretted. The prospect of breaking these social ties is not immediate,, however, as the rev. gentleman has agreed to remain for six months or until another pastor can be secured.

The Superintendents and teachers of the Methodist Sabbath School and some young people of the town met at Mrs. W. A. Armstrong's on Tuesday evening and presented Miss L. Fawcett with a diamond and ruby ring. Much regret is occasioned by Miss Fawcett's departure and all wish her every prosperity in her new field of labor in Tara.

For any disease of the skin we can recommend Chamberlain's Salve. It relieves the itching and burning sensation instantly and soon effects a cure. This salve is also invaluable for sore nipples. W. E. Richardson.
