Eugenia

Died—At his home, Eugenia, on Jan. 1, James Williams, tax collector, passed away, the victim of that dreaded disease, consumption, at the age of 41 years. Deceased was highly respected by all who knew him. He was a consistent member of the Methodist church from early manhood, also a member of the Orange order until loss of health prevented him from attending L.O.L. 1118 At one time his father, Mr. John Williams, could boast that he had seven stalwart sons marching with him in 12th of July processions; now two are no more, the father and son. His widow and little daughter, also his brothers and sisters, have the sympathy of a large circle of friends in their sad bereavement. The funeral to Salem burial ground was attended by a large number of sympathizing friends, The pastor, Mr. Gaudin, officiated, and the service was under the auspices of the Orange order. Rev. L. W. Thom also assisted at the house. Death to Mr. Williams was gain, he having died in the hope of a glorious resurrection.

Mr. Walton Williams of Toronto attended the funeral of his brother.

Mrs. Jackson is lying very ill at the home of her sister, Mrs. W. Cameron, on the 8th line.

Mr. James Campbell who is suffering from a stroke of paralysis still remains very poorly.

Miss Lillian Graham is very ill at present.

Mr. Well Graham of Toronto is spending his holidays at the parental home, Boyne Villa.

Mr. Lew Pedlar and wife also Miss Sarah Pedlar of Toronto spent Christmas with their parents, Mr. and Mrs. S. Pedlar of Summer Hill, Eugenia.

The Orangemen of 1118 have had their hall nicely painted and papered. It shows the spirit of Orangeism is not dead at Eugenia as some of the ladies went and assisted putting on the paper.

The past few days reminds one of indian summer, except for snow on the ground.

Miss Ella Pedlar is visiting with friends at Singhampton.

Vandeleur

Mr. Thomas Gilray is visiting his sister, Mrs. Geo. Wright.

Mr. Charles McCallum, of Holland Centre, renewed acquaintances here last week.

Mr. Jasper Gilbert and two sisters, Jessie and Olive, spent New Years with their sister, Mrs. Will Hutchinson.

Vandeleur Division I. O. F. intend holding a box social in the Hall here Friday evening.

Dangers of a Cold tnd How to Avoid Them:

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beinning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by W. E. Richardson

The Grip.

"Before we can sympathize with others we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grippe, unless he has had the experience There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy, Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pnumonia or that has not recovered. For sale by W. E Richardson.

An interesting case was tried at Barrie recently. Mr. Millard purchased a team from a farmer near Barrie for $350 and the horses were delivered next day to the buyer, The following day Millard returned the team saying one was heavey. The farmer refused to take them back and they were left in the lane. The farmer turned them out on the road where they remained for some weeks. The check was not cashed and Millard forbid its payment in the bank. The farmer sued Millard for the price of the horses and witnesses appeared on both sides. Two vets pronounced the horses unsound while the farmer neighbors who knew the animals claimed that they were sound. The case went to a jury and the farmer won the case getting judgment for $350 and costs which will likely run up to $300 altogether.

SCORED ANOTHER WONDERFUL VICTORY

One More Added to the Long List of Cures Effected by Psychine.

This young lady, who lives in Brownsville, near Woodstock, Ont., tells her own story in a few effective words of how she obtained deliverance from the terrible grip of weakness and disease.

I have to thank Psychine for my present health. Two years ago I was going into a decline. I could hardly drag myself across the floor. I could not sweep the carpet.

If I went for a drive I had to lie down when I came back. If I went for a mile on two on my wheel I was too weak to lift it through the gateway, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me no peace until I procured Psychine, knowing it was excellent for decline or weakness. I must say the results are wonderful, and people remarked my improvement. Instead of a little, pale, hollow cheeked, listless, melancholy girl, I am to-day full of life, ready for a sleigh-ride, a skating match, or an evening party with anyone, and a few months ago I could not struggle to church, 40 roads from my home. I have never had the slightest cause to fear any return of the disease.

ELLA MURIEL WOOD,
Brownsville, Ont.

Thousands of women are using PSYCHINE, because they know from experience that in it they have a safe friend and deliverer. Psychine is a wonderful tonic, purifying the blood, driving out disease germs, gives a ravenous appetite, aids digestion and assimilation of food, and is a positive and absolute cure for disease of throat, chest, lungs, stomach and other organs. It quickly builds up the entire system, making sick people well and weak people strong.
