A despatch from Owen Sound says: Keenan Bros. bought the biggest log ever brought into this place on Friday. W. J. Goodwin brought in an elm that measured 5,250 feet, and required five teams to haul. The previous record for a large log was five thousand feet. Beides this, a number of the limbs are large enough for lumber, and will be brought here.

Mr. Large's Choral Union held a business meeting in their hall on Monday evening. It was the unanimous decision of the Union to continue the class for another term, and it is opening with a larger membership than ever. This is a great opportunity for all who sing. The fee for the term is set at the low sum of fifty cents each. Persons desirous of joining may hand their names in to Mr. F. G. Karstedt, Mr. Ed. Bentham or the Secretary, Miss Coulson. We will announce from these columns later, when the first rehearsal will be held.

The Oratorio, "Saul of Tarsus," as rendered in the Methodist church on Thursday evening last under the leadership of Mr. Newton Large, of Owen Sound, was worthy of a much larger patronage than was vouchsafed it. The choruses were splendidly balanced and the solos, duets and trios excellent. During the course of these practices some new voices have been developed which give much promise, and Mr. Large is to be congratulated on the excellence of the musical program which he presented to the public on this occasion. It is many years since the public here has been treated to anything just so good in the musical line and we believe had the public really understood what a rare treat was before them the church would scarcely have held the audience. We cannot think that the public are indifferent to choice music, but rather that the opportunity was not appreciated at its full value. The proceeds were less than $35.

James Sullivan Dead.

James Sullivan, tinsmith of this town, died at his home here on Tuesday afternoon after a short illness of only four days of pneumonia. His age was about 76 years, of which he spent 36 years in Flesherton. The deceased gentleman was three times married. The first and second wives were sisters named Hopps; by the first there were no children; by the second there were two sons, Frank and Will. Twenty-eight years ago he married Miss Mary Crossley, sister of Mr. W. P. Crossley, and now leaves his widow and a family of seven children as follows: Hattie (Mrs. Mills) of Spokane, Carrie in Montreal, Charley at Indian Head, Ida employed in the postoffice here, Mamie, Fred and Herbie at home. The deceased gentleman was born in the Niagara Peninsula and had quite a chequered life, his mother dying when he was very young. He lived at St. Catharines in early life and for a time sailed on the upper lakes, afterwards taking up his trade of tinsmith at which he worked in Durham, Kincardine and Owen Sound previous to coming to Flesherton. He was a member of Prince Arthur Lodge, A.F. and A.M., under whose auspices interment will take place to-day (Thursday) at 2.30 p. m. and was also an Oddfellow, being a charter member of the Flesherton lodge.

Cattle frauds have been operating in Erin township. The plan of these men is to go to the farmers and represent themselves as owners of a farm, but short of ready cash, and to buy cattle for which payment would be made later. After the lapse of some time, those who had sold their stock became suspicious, and as no satisfactory information could be obtained the matter was reported. It is said that men who have been operating are from the Orangeville neighborhood.

Danger in Farming.

"Dollar Wheat" is fine for farmers, but they take long chances with their health in getting the wheat. Bad weather, lifting, straining, wrenched backs, lay the foundation for Rheumatism and Kidney Trouble. There is a farmer, out Markham way, who was so busy making money that he did not realize he was making ill-health at the same time. He had headaches; often his back hurt so badly he could hardly stand, often the urine was highly colored and scalding. But he thought he was only "working too hard." One day he caught cold. The next day he had Rheumatism. This Markham farmer suffered 7 years with Rheumatism until chance brought a friend who told him about **Bu-Ju.** They relieved the excruciating pain, and cured him in three months.

MARKHAM, ONT.

"I had suffered almost continually for seven years with Kidney Trouble; could scarcely walk and was unable to attend to my farm duties. After taking the first few pills I felt much relieved, and after taking half a box was able to do a full day's work. I know one box of Bu-Ju saved me $10.00 Doctor's bill, and think they are the finest Pill made.' JAMES ABBOTT.

Farmers, Take Notice.

I have ceased working for McCormack machines, not that I had any fault with the implements, but Jackson & Hannah, of Markdale sold a McCormack six foot binder to Mr. Wilson McMullen last harvest for $125.00 on three pays, and his old Patterson binder and then sold the old binder for $1.50, and on next year's terms they are charged to those that perhaps they get them for less than I do. Why don't they sell them to Markdale farmers for the same? This I can prove. I have contracted with Peter Hamilton, of Peterborough, to sell his implements at Markdale and Flesherton. I will sell the binders, six foot on one pay $109, 2 pays $115, three pays $120; drills, one pay 12 hoe drill $61, 2 pays $63, three pays $65, and other sizes to correspond, smaller or larger. I will be at Markdale after the first of March every Saturday. Any one wanting machines or repairs will find me on Saturdays. I have some second hand Drills on hand, some only worked one and two years, Noxon, Oshawa and Peter Hamilton. Also agent for the Cockshutt Plow, Paris Manure Spreader and Clinton Thresher.
