CABLE NEWS

A fearful murder has just been committed at Marseilles. An architect named Vachier had recently dismissed his coachman, an Italian named Vignole, but had suffered him to remain as lodger at his country seat at a place called Quatre Chemins, in the neighborhood of the city, until the servant should find some other employment. Vachier was constantly in company with the new coachman, his successor, insomuch that the two men lived in the same house and appeared to be on good terms with each other. A few days back, however, M. Vachier informed Vignole that he could no longer allow him to remain any longer. The Italian, thinking that Dr. had been instrumental in his dismissal, determined to be revenged, and, getting up in the night he murdered Dr by stabbing him several times with a knife, and then set fire to the premises. Although the flames were subsequently got under, a portion of the house was destroyed, and the body of Dr Vachier was completely carbonized. Vignole was afterwards arrested.

CAUTION.

THE perfection and cheapness of the American Waltham watch have given it such a world-wide notoriety that unscrupulous dealers have sought to imitate its style and pirate its trade marks. Intelligent dealers are occasionally found who for a trifle trade upon the popularity of the American watch by selling a base imitation under the name of the genuine article.

It is hardly necessary to state that such watches are worthless as time keepers, and when bought under the delusion that they are the high priced American watches have attracted. The various grades of the American watch (except the lowest grade marked Home Watch Co.) are guaranteed by special certificate bearing the number of the watch and the signature of the President of the Company, R. E. Robbins. The purchaser should in all cases require one of these certificates, which is furnished to all dealers in the genuine watches.

The following are the trade marks on the several grades of our manufacture:—

AMERICAN WATCH CO.
APPLETON, TRACY & CO.
WALTHAM WATCH CO.
P. S. BARTLETT.
WM. ELLERY.
HOME WATCH CO.

PENNSYLVANIA RAILROAD CO.

Office of the General Superintendent,
Altoona, Pa., 15th Dec., 1866.

GENTLEMEN—The watches manufactured by you have been in use on this Railroad for several years by our engine men, to whom we furnish watches as part of our equipment. There are some THREE HUNDRED OF THEM CARRIED ON OUR LINE, and we consider them GOOD and RELIABLE TIME-KEEPERS. Indeed I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never keep time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.
American Watch Co., Waltham.

NEW YORK CENTRAL RAILROAD

Locomotive Dep't Western Division,
Rochester, Dec. 24, 1866.

GENTLEMEN—I have no hesitation in saying that I believe the great majority of locomotive engineers have found by experience that WALTHAM WATCHES ARE THE MOST SATISFACTORY of any for their uses. They RUN WITH THE GREATEST ACCURACY AND STEADINESS, notwithstanding the roughriding of an engine; and as I have NEVER KNOWN ONE TO WEAR OUT, they must be durable. I hope to see the time when railway companies will generally adopt your watches, and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and safety.

Yours respectfully,
CHARLES WILSON,
G. Chief Engineer,
Brotherhood of Locomotive Engineers.

The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance now so common of being rudely forced to buy, we will send samples on application, postpaid, to any address.
