Industrial Home Notes

(By an Inmate)

By a slip of of the pen an error occurred in an item of two weeks ago which we desire to correct. Your cor. in tendering his thanks to Mrs. Haskett and daughter for their unremitting kindness to him during his recent illness, should have written Mrs. N. W., and not Mrs. G. Haskett.

Mr. Armstrong, of Owen Sound, and ex-warden Binnie, of Glenelg, audited the manager's book accounts of the institution a few days ago.

Wm. Wiggins, of Markdale, aged 54, was admitted to the home for two or three months on Monday, the 11th inst. Billy, whom we understand is a bachelor, has been residing in Markdale several years, working his little garden and doing odd jobs around the village. Beyond a little lameness there does not appear to be very much wrong with him, mentally or physically, and he seems to be very fond of reading. This is his first experience here and he does not seem to take kindly to his new situation, but says he will leave the day his time expires. Well, Billie boy, you ought to be good for a few years yet

We were sorry to read of the death of our old friend, Mrs. Malcolm Kennedy, and tender our heartfelt sympathy to the bereaved family.

We understand that a new straw and hay shed is to be built to the barn this coming season. The most of the lumber is on the ground, but we have yet to learn who is to be the builder. This addition to the barn will be a very necessary improvement as it will dispense with the stacking of a material portion of the crop each year as has been necessary in the past, and will doubtless in a very few years cover the cost of building by protecting the crop and field which otherwise would be damaged and perhaps lost by inclement weather.

The matron was under the weather for a couple of days, but has fully recovered. Beyond a few colds there is not much sickness among the inmater at present, the worst case being our old friend John Teesdale who is very sich at present, but not critically so, and we hope to see him around again in a couple of weeks.

The housemaids are by no means elated by the extra work devolved on them by the steadily increasing number of inmates; should the number continue to increase, without an increase of the staff, the girls may take a notion to go west, or, perhaps they may be tempted to take unto themselves a partner for life, for better or for worse, etc., etc.

There are at present 23 male and 10 female inmates, with the probability of more to come.

In the absence of Mr. Harness divine service on Sunday, the 10th inst., was conducted by Mr. Ennis, of Markdale.

The men's day room is pretty well crowded these days and evenings when all are gathered together there which is quite frequent. The basement seems too cold and dreary for the old chaps.

Portlaw

Grip is visiting our neighborhood and calling on nearly every family.

Miss Violet Warling visited for two weeks with her aunt at Chatsworth.

Messrs. T. Sherwood, W. Fisher, R. Young and J. McNevin are making preparations for building barns in the near future.

Mrs. Roulston and family purpose leaving soon to join the former's husband in Iowa.

Miss Annie Jamieson, of Toronto, accompanied by her little nephew, Wilfred McMaster, of Eugenia, visited the past week with her brother W. G.

R. T. White had the misfortune to lose one of his horses last week.

Mrs. J. A. Thompson visited her father and other friends at McIntyre recently.

Mr. R. Allen goes this week as alternate representative to Grand Council R. T. of. T., also as a delegate to Provincial Convention Dominion Alliance from Port Law council.

10th Line Osprey

We have experienced some of the coldest weather of the season the past week.

Mrs. W. H. Colquette, of Bladworth, Sask., has been visiting her many friends in this part the past week.

Mr. Geo. Ellis has disposed of his farm to Joseph Irwin and we understand Mr. Ellis will move into Feversham and retire from farming.

Mr. Wm. Hendry is very ill at present.

We understand Joe. Irwin has rented the Ellis' farm to Mr. Sam Sanderson of the 12th line, also his own farm to Noah Jeffreys and Mr. Irwin will erect and operate a saw mill on Sam Galloway's farm next summer.

Capt. Ida J. Heron of the S.A. Toronto, is visiting her parents Mr. and Mrs. A. Heron of the 8th line at present.

Mr. and Mrs. Harry Horton, of Collingwood, are visiting the latter's parents here and Mrs. R. Colquette, the past week.

We are glad to report the people who have been suffering from the grip are recovering their usual health again.

Captain Ida Heron, of the S. A., took the service in Bethel Methodist church on Sunday morning last and was much appreciated.

Kimberley

Mr. J. R. Fawcett visited Heathcote friends on Monday last.

The Kimberley branch of the O. W. I. will hold a box social here on Friday Feb. 22nd.

Mr. Abercrombie, of Griesville, was a visitor at Mr. J. M. Fawcett's on Sunday last.

While engaged in the ice harvest last week a team belonging to Stuart Bros., butchers, had the misfortune to go through the ice on the mill pond but were soon rescued by willing hands who speedily gathered. The horses are none the worse for the cold bath which they received.

Miss Jennie Graham, of "Boyne Villa," Eugenia, was the guest of Mrs. George Proctor during the past week.

Mr. Ansley McConnel is on the sick list at present.

Mrs. A. E. Myles and son, Teddy, and daughter, Ruth, are visiting Markdale friends this week.

Mr. George Stuart was in town on Monday last.

Mr. and Mrs. Jasper Stuart are now comfortably settled in their new home.

Mr. James Stuart, one of the prominent residents of this vicinity, who received rather severe injuries in a runaway accident some five weeks ago, is recovering but slowy, having been out of the house but once in that time. We hope to be able in the near future to report Mr. Stuart fully recovered from his injuries. Mrs. Stuart, who was with her husband at the time of the accident, received a rather severe nervous shock but has since fully recovered.

Mr. W. G. Pickell, of Markdale, was in town this week.

Mr. H. Breadner was a visitor at Mr. Jas. Knott's recently.

Priceville Presbyterians.

The Priceville Presbyterian Church financial statement has been printed, and is being distributed. This is the most elaborate church statment which has been turned out by The Advance for some time. The officials of the church evidently know how to get out a statment that will satisfy the people. The book shows a satisfactory condition of affairs, and the Priceville Presbyterians have good rerson to be pleased with their standing. The number of scholars in the Sabbath School on roll is a hundred and ten, and the average attendance is fifty-five. They have had some heavy expenditures during the year, and have a balance on hand of $2.50. The managers report of the church shows receipts to the extent of $848.12, and expenditures amouting to $809.71 showing a balance on hand of $38.41. The session statistics are as follows; Present membership 179, added during the year by profession twelve, by certificate four. Removed during year by certificate, eight; without certificate six, and by death five. The number of baptisms was three.

Eugenia

There are a large number of sick people in this vicinity. Among them are Mrs. Plantt, who has the gripp; Miss Mable Carr, who is very low with pneumonia; Stanley Campbell, with pneumonia; also Mr. Andrew Graham's children are all down with the measles.

Mr. Walker Sloan, who is working at Richmond Hill, spent Sunday at his home here.

Mr. and Mrs. Alex Johnston, of Griersville, spent last week with the former's sister, Mrs. Leonard Latimer.

Misses Ada Willams, and Georgina Smith have gone to Toronto.

We are plesed to report the wedding of Miss Jessie Graham, daughter of Mr. R. Graham, of Vandeleur, to Mr. Porter Beard, also of Vandeleur. The happy event took place te day in the Presbyterian church here. We wish the happy couple a long and prosperous wedded life.

Mrs. Win. Large, accompanied by Miss Mary Bansley, both of Markdale, are visiting the former's parents here.

Miss Artena Carr, of Toronto, is visiting at her home here.

There have arrived at the Children's Shelter in Toronto seven children, ranging from 2 to 13 years of age, who were found living under terrible conditions by J. J. Kelso, Superintendent of Neglected and Dependent Children. The discovery was made within a few miles of Tweed, where the family of Richard Lindsay, jr., were found in a state of extreme wretchedness and neglect, living in a shack unfit for human habitation. Their only bed was a hole in the ground under the floor, their clothing was of the scantiest, and they did not even have shoes to protect them during the winter. The children were brought before the magistrates at Tweed, and conimitted to the care of the society. They will remain at the Shelter here until suitable homes can be secured for them.—Star.

None need suffer with Rheumatism.

It makes one think that perhaps some people WANTED to have Rheumatism. Because they wont take **Bu-Ju.** Now, isn't it a fact that there are a lot of people in your neighborhood who say "**Bu-Ju** *completely cured me of Rheumatism.*"

When you read their letters; the agony they suffered with Muscular and Inflammatory Rheumatism, Sciatica and Lumbago; how they tried remedy after remedy without relief, and then found health in **Bu-Ju,** you will wonder how people will go on having Rheumatism when they can cure themselves at home.

Bu-Ju

The Gentle Kidney Pill

ST. CATHARINES, ONT.

"No living person can realize what I suffered with Rheumatism for five years. The disease completely incapacitated me, and left me in a wornout condition. After all else failed, and I felt that I was getting worse, I began the use of Bu-Ju, when I soon found relief. After using a few boxes, I found I had recovered my strength nicely, and after less than 18 boxes had been taken, it left me without a vestige of the old complaint. I believe Bu-Ju to be the best medicine on record for Rheumatism."

MRS. DRYSDALE.

So confident are we of the powers of **Bu-Ju,** of its unfailing success in coping with cases that have baffled even the best physicians, that we guarantee **Bu-Ju** will cure you or your money will be refunded. Buy it with that guarantee. 50c. a large box. At all druggists, or from 70
