Barely Lived Through it

A terrible experience had Edw. J. O'Connor of Sault Ste. Marie. "From boyhood" he writes, "I have been a constant sufferer from asthma and catarrh. My nose and throat was always stopped up and I had droppings in the throat. When attacks came on I thought I couldn't live through the night. I would sit up and gasp for breath and endure great distress. Catarrhozone made me entirely well." No stronger proof is required. Asthma is curable, so is catarrh. Use 'Catarrhozone" and your recovery is guaranteed. Two sizes, 25c and $1.00 at all dealers.

Mr. George Meldrum expects to have a good time at his home near Salem on Friday evening. It is not a wedding, but a necktie social where every lad will find his lass. Come all and enjoy the fun.

The social held at Salem was quite a success. The next evening a number went out to Ceylon, where the S. A. people held a social. On the way home, as they were driving fast, a young couple from here got an upset by the cutter turning over. The young lady got a bad shaking up, but by the aid of about a yard of porous plaster, a crutch and a cane, she is now able to hobble around. The young man also got a few scratches, which served him right for being so careless.

Some Men Get Up Six Times

during the night because their bladder is so inflamed that it will not retain more than a tablespoonful of urine. Some old men, especially, urinate twenty-five times a day. These are the men who need Bu-Ju—the Gentle Kidney Pill. The first few pills gave relief. Acid urine is neutralized—the delicate membrane, lining the bladder, is soothed—and the kidneys are strengthened and healed. Men say that Bu-Ju gave them the only uninterrupted night's sleep they had enjoyed in years. 50c. a large box. At druggists or from The Claflin Chemical Co., Limited, Windsor, Ont. 57
