The new hotel to be opened to the public within a few days will require a name. A correspondent at Ceylon suggests "Dunrobin," because that is the name of the best hotel in Scotland. From several sources the name "Park Hotel" is suggested. Can anyone think of a better? If not it is altogether likely that "Park" it will be.

Horses for sale—$250 will buy a span of colts, one of them 3 years old, and the other four years old, bred from Lightning, is a good size, 15½ hands high, well broken and ready to go to work. They must be sold as I have too many horses; will sell one or both. Apply to James Stuart, Kimberley.

Mr. Geo. Watson of Proton Station has purchased the Trimble lots opposite W. P. Crossley's and will build thereon, and probably erect a sawmill. Mr. Watson and family will make good citizens and The Advance is pleased to give them a hearty welcome in the name of our fellow citizens.

Remember the married women's concert in the town hall Friday evening of this week in which the married women only will take part. The ladies have for a long time been preparing a program which we think will more than give satisfaction. It is under the auspices of the Ladies' Aid. Be sure you attend.

Messrs. Blakely & Boyd have had a lot of trouble in endeavoring to rebuild their dam, which broke away some time ago. After getting it pretty well along towards completion three times it has broken away again. The last break occurred Monday evening which left matters in a worse condition than ever, and will probably end the work until the frost goes away.

At the montnly meeting of the Presbyterian Ladies' Aid on Thursday last a resolution was unanimously adopted, instructing the secretary to convey to Mrs. Wm. Neil the sincere sympathy of the society in the great loss she had sustained by the death of her beloved husband. Mrs. Neil desires, through the columns of The Advance, to express her gratitude to the numerous friends who have in many ways contributed to her comfort during her illness and bereavement.

We notice by a Winnipeg paper that Miss Carrie Rutledge, daughter of Mrs. Robert Rutledge of this place, and now a nurse in the Winnipeg General hospital was quite painfully injured recently while heroically attempting to save the life of a babe. The little patient was being moved from one flat to another on a wheel stretcher which was being taken up the elevator. The cage accidentally started too soon and the stretcher was caught and smashed to pieces. Miss Rutledge grabbed the infant but in doing so sustained a painful injury to her arm and chest, but these are not considered serious. The man in charge of the elevator was also slightly injured.

Trout's block, Meaford, was destroyed by fire last week. The loss was from $12,000 to $15,000. This block comprised three stores and living apartments over them. Insured for $4000.

Feversham

After a very successful stay of one year the officers of the Salvation Army, Capt. Harbour and Lieut. Bourn of the Feversham circle corps, have said good bye to their many friends. Their last meeting was held at Salem where there has been a very great improvement on the roof of the shed and repairs on the church. The women folks of the Salem circle did some good baking for the social and the men folks came and did justice to the victuals. After the supper a very interesting program was put on the scene by the local people and after two and a half hours of music and singing we closed a very enjoyable evening. The people all respond in wishing the officers in their next appointment good success, though sorry to see them go, but the S. A. is an organization in which orders must be obeyed, so with a good bye and God bless them we must part.—Com.

A Vermilion Letter

To the Editor of The Advance.

DEAR SIR,—As you wished to hear from the west, I thought I would write you a few items. It has been very cold here—30 to 64 below zero—but very calm and clear most of the time. A man could work every day, so far as the cold was concerned, but there are plenty of people here who would rather freeze than cut wood for the stove. There is plenty of wood and coal here, and I have not heard of any stables being burned for wood yet, nor anybody being frozen to death, excepting one man near Battleford, and he lost the trail. The cattle are in good shape. There is plenty of feed here. I saw in your paper last summer how stony the west was. I have seen none of them, and I had to draw stone seven miles to stone my well and pay one dollar a load for them. The country is settling fast and there is a good demand for all farm produce. I hope you will hear from some of the rest of your western subscribers. The weather is very fine now. —JAS. DOW

ALL THIN, PALE WOMEN

Can Learn The Cause of Their Nervous, Used-up Condition.

With women, ill-health is usually traceable to nerve exhaustion. Feelings run-down and tired most of the time is nature's warning that more nerve-force is required.

You must build up, nourish the body, vitalize the nerves, get more flesh and blood.

It's the abundant nutriment and building material in Ferrozone that enables it to cure so many sick women. It increases the appetite, adds weight and strength, restores lost color and develops a surplus of energy and nerve force that defies sickness of any kind. There is living proof in Mrs. Daniel Ferguson, Jr., of Prescott, Ont. Read her statement.

"A year ago my health failed. I grew thin and exceedingly pale. At times I was prostrated with nervous sick headache. All day I was tired. At night it was difficult to obtain restful sleep. My appetite was variable and indigestion bothered me considerably. I became morose and suffered from heart palpitation. You could scarcely believe the benefit I derived in one week from Ferrozone. Color came back to my cheeks. My vitality and appetite increased, renewed nerve force and better spirits came also. Ferrozone did a world of good and made me well."

Remember this: No alcoholic stimulant can nourish and build up like Ferrozone. Fifty cents per box or six for $2.50. At all dealers, or N. C. Polson and Co. Kingston, Ont., and Hartford, Conn., U. S. A.
