BY-LAW NO.
TO RAISE MONEY TO RETIRE DEBENTURES.

[PASSED 1868.]

WHEREAS it is expedient for the Municipality of the County of Frontenac that the sum of Four Thousand nine hundred dollars be raised by way of loan for the purpose of paying off certain debentures to that amount due, and accruing due in the present year;

And, whereas, the total amount necessary to be raised annually by special rate for paying the debt created by this By-Law and the interest thereon within the period of ten years from the time at which this By-Law shall come into effect amounts to eight hundred and eighty-two dollars per annum;

And, whereas, the amount of the whole rateable property of the said Municipality, irrespective of any future increase of the same, and irrespective of any income in the nature of tolls, interests or dividends from any work, or from any stock, shares, or interest in work, and also irrespective of any income to be derived from the temporary investment of the sinking fund hereinafter mentioned, or any part thereof, according the last revised and equalized Assessment Rolls of said Municipality, was Three millions and fifty thousand dollars;

And, whereas, the amount of the existing debt of the said Municipality amounts to One hundred and twelve thousand six hundred and ninety-six dollars and fourteen cents principal on which no interest is in arrears;

And, whereas, for paying the interest and creating an equal yearly sinking fund for paying the said sum of Four thousand nine hundred dollars and interest as hereinafter mentioned, it will require an equal annual special rate of four hundred and forty one, one thousand five hundred and twenty fifth parts (441-1525) of a Mill in the dollar in addition to all rates to be levied in each year;

Be it therefore enacted by the Municipal Council of the Corporation of the County of Frontenac;

1. That it shall be lawful for the Warden of said County to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of four thousand nine hundred dollars, and to cause the same to be paid into the hands of the Treasurer of said county for the purpose and with the object above recited;

2. That it shall be lawful for the said Warden to cause any number of debentures to be prepared and executed for such sums of money as required, not less than one hundred dollars each, and that the said debentures shall be sealed with the Seal of the said Corporation, and signed by the said Warden, and also countersigned by the County Treasurer;

3. That the said debentures shall be made payable in ten years from the day hereinafter mentioned for this By Law to take effect at the Office of the Treasurer of said County, and shall have attached to them Coupons for the payment of interest;

4. That the said debentures shall bear interest at and after the rate of eight per cent per annum from the date thereof, which interest shall be payable half-yearly at the Office of the Treasurer aforesaid;

5. That for the purpose of forming a sinking fund for the payment of the said debentures and the interest at the rate aforesaid to become due thereon, an equal special rate of four hundred and forty one, one thousand five hundred and twenty fifth parts (441-1525) of a Mill in the dollar, shall in addition to all other rates be raised, levied and collected in each year upon all the rateable property in the said Municipality during the continuance of the said debentures or any of them;

6. That this By-Law shall take effect and come into operation upon the day of the passing thereof.

The above is a true copy of a proposed By-Law to be taken into consideration by the Municipality of the County of Frontenac at the Council Chamber in the Court House in the said County on the ninth day of June, 1868, at the hour of ten o'clock in the forenoon, at which time and place the Members of the Council are hereby required to attend for the purpose aforesaid.
