How Prizes Will Be Awarded

The "C-WORD" Picture Puzzle Game is a campaign to increase the popularity of The Mail and Empire. It costs nothing to take part, and you do not have to send in a subscription to win a prize. If your list of "C-Words" is awarded First Prize by the Judges you will win $30.00; but if you would like to win more than $30, we are making the following special offer whereby you can win greater cash prizes by sending in ONE, or TWO, or THREE yearly subscriptions to The Mail and Empire.

HERE'S HOW THE BIG PRIZES WILL BE AWARDED

$500.00 instead of $30 will be awarded to the answer winning First Prize if ONE yearly subscription to The Mail and Empire at $5.00 by mail has been sent in. Second Prize, $400.00; Third Prize, $300.00, and so forth. (See second column of figures in prize list.)

$1000.00 instead of $30 will be awarded to the answer winning First Prize if TWO (new or renewal) yearly subscriptions to The Mail and Empire are sent in. Second Prize, $800.00; Third Prize, $600.00, and so forth. (See third column of figures in prize list.)

$2000.00 instead of $30 will be awarded to the answer winning First Prize provided THREE (new or renewal) yearly subscriptions to The Mail and Empire are sent in. Second Prize, $1,600.00; Third Prize, $1,250.00, and so forth. (See fourth column of figures in prize list.)

Isn't this the most remarkable and liberal offer you have ever had presented to you? And that's not all. We will give extra amounts on all prizes in the same manner. If your answer is qualified by THREE yearly subscriptions and you win fourth prize, you will receive $600.00, and so forth down the prize list. You are given an opportunity to participate in 100 Prizes totalling over $8,000, where the 100th prize with THREE subscriptions wins $15.00, so that you would get your own subscription money back, also the $10.00 you sent in for your two additional subscribers should you only win the 100th prize.
