AYER'S CHERRY PECTORAL.

℞ For the rapid cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are its cures, that in almost every section of country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs incident to our climate.

Prepared by Dr J. C. Ayer & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

Who is Mrs. Winslow?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs Winslow is becoming world-renowned as a benefactor of her race: children certainly do rise up and bless her, especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mortal has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs Winslow's Soothing Syrup. Try it, mothers—TRY IT NOW.—*Ladies' Visitor*, New York City.

Sold by all druggists. 25 cents a bottle.

RAPPE, WEBER, & Co. announce to the Public that they are now in possession of facilities for manufacturing Pianos unsurpassed, if equalled, by any in the Dominion.

The members of the Firm are Practical Piano Makers, and are anxious to establish their success in manufacturing enterprise by careful workmanship rather than by mere speculation. They are able skilfully to superintend every department, and are prepared to guarantee every instrument they sell.

For strength of manufacture and materials, beauty of finish, and durability and excellence of tone, they challenge the Dominion to produce superior instruments; and while they claim for their work every excellence that can be expected from skilful and enterprising workmen, they beg to announce that their resources are sufficiently ample to enable them to compete in prices with any speculator in Pianos.

The Subscribers keep no Travelling Agent. All orders addressed to the Subscribers, or sent through any respectable Music Dealer, will receive attention. Orders through mail will be attended to as if selected in person.

A CARD.

RAPPE, WEBER, & Co. deem it unnecessary in their announcement above to notice the advertisement of their competitor, Mr F. C. Cline. They beg to inform the public that it was not the privilege of Mr Cline to retain all of the late J. C. Fox's workmen.

The Advertisers were selected by the late Mr Fox from the best establishments in New York, (Steinway's, Stoddard's, Weber, Gabler, etc.)

After Mr Fox's death, and before Mr Cline's purchase of a part of Mr Fox's stock, Rappe, Weber & Co. had determined to go into business on their own account. As at present constituted, their establishment consists of four Proprietors, every one of whom have been foremen, and their workmen who have been foremen; so that so far as the "culling of workmen" (a novelty in language) is concerned, Rappe, Weber & Co. have the honour to announce that they made *their* selection before it was permitted to Mr Cline to make *his*. If Mr Cline was a practical Piano maker, it might be competent to him to remark upon the skill of other workmen; but as he is not, it may be well to remind him that the shoemaker should stick to his last.

The Advertisers do not press upon the public the merits of any Travelling Agent, and any person holding himself out as such may be treated as utterly unauthorised. Our Pianos are candidates for popular favour, and we have no doubt they will win it.
