Kimberley

Seeding is the order of the day.

Mr J. E. Hammond, Commercial Master of the Meaford High School, and Evangelist Neal of that place were the guests of the former's parents here on Sunday last.

Mr. and Mrs. Geo. Stewart of Flesherton visited friends here on Sunday last.

Mr Emerson Brown was the guest of his parents near Feversham on Sunday.

Born—At Redwing, on Saturday, May 4, to Mr. and Mrs. John Proctor, nee Minnie Wallace, a daughter.

Misses Emma and Ethel McClung visited friends on the east mountain last week.

We are sorry to report Mrs. Jas. Lawrence on the sick list at present. We hope she will soon be able to be around again.

Evangelist Neal of Meaford occupied the pulpit of the Union church on Sunday morning last.

Married—At Thornbury on Wednesday May 1st at the Methodist parsonage by the Rev. Jos Young, Jennie, oldest daughter of Mr. and Mrs. William McClung of this place to Mr. John Wyville of Vandeleur. We wish them a long and prosperous voyage through life.

Mr. and Mrs. Jasper Stuart visited in Flesherton last week.

Ben Hislop took charge of the service in the Union church here on Sunday evening last and preached an excellent sermon.

Mrs. Donald Wallace is the guest of her daughter, Mrs John Proctor of Redwing.

Miss Amy Hill of Markdale visited at her parental home here on Sunday last.

Miss Maggie Knott is the guest of her sister, Mrs. William Breadner of Heatcote at present.

Mr. J. J. Tilley of Toronto, Inspector of Normal Schools and president of the Coo Coo Valley Fishing Club, who have a fishing reserve some two or three miles south of our village, recently had some ten thousand speckled trout 5 inches long put into the river on their reserve.

Mrs. Richard Kells of Toronto is spending a few weeks with friends here.

Relief From Rheumatic Pains

"I suffered with rheumatism for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain,s Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by. W. E. Richardson.

Eugenia

Although the weather has been rather unsettled of late, yet fields are beginning to put on their dress of green and although winter lingers on, genial spring will soon proclaim its mastery.

Mr. John Campbell of the valley and Mr. Fred Martin have gone to try their fortune at Cobalt.

No great fish stories as yet as the weather has not been good and the streams are rather high.

Miss Doris McDonald has been very ill with inflammation of the lungs.

Miss Jennie Roy of Rockvale is the guest of Mrs, Deagle at present.

Nothing doing yet at the tunnel or dam on account of the unsettled weather.

Mr. Well Graham of Toronto visited his mother for a few days.

Mr. Munshaw of the Eugenia house and Mr. F. G. McDonald paid a short visit to the city the past week.

"Waiting at the Church"—Our Eugenia boys don't loaf around corners on Sunday evenings. They just wait about the church door or windows like little men, waiting to see their best girls home.

Seeding will soon be finished around this locality.

Mr. Wes. Latimer of Toronto is visiting his parents, Mr. and Mrs. G. Latimer.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse Many trained nurses use this salve with best results For sale by W. E. Richarpson.

10th Line Osprey

The farmers have started seeding again after a few days of rain and ice storms the fore part of last week.

Born—To Mr. and Mrs. Jas. McKenzie on April 25, a son. No wonder Jas. is feeling gay, a farmer boy has come to stay.

Mr. Hugh W[illegible] attended the monthly all day meetin[illegible] the Holiness workers church at Tho[illegible] on Wednesday last.

Died—On Saturday April 27th, Mrs. Wm. Smith of the 14th con. of Osprey. The sympathy of the neighborhood goes out to Mr. Smith in his sore bereavement.

Born—On Thursday May 2nd, to Mr. and Mrs. Wm. Poole, a son.

We are very sorry to report that Mrs. Wm. Poole is dangerously ill at present and is being attended by Dr. Bond of Maxwell and Dr. Carter of Flesherton. We hope to soon hear of her recovery.

We notice in a report of the exams. of the Manitoba Agricultural college in the Winnipeg Times that R. D. Colquette, a son of Mr. R. J Colquette of Feversham, passed the first year exams. with first class honors, he being second in merit of seven first class honor men. Success, R. D.

Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy, Mrs. Edward Philips of Barclay, Md., writes: "I wish to tell you that I recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadfuul cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by W. E. Richardson.

Stationary Engineers' Certificates.

The Legislature of Ontario at its recent session passed an ac trespecting stationary engineers in which engineers and employers are alike interested. Briefly stated, its provisions are that, after the last day of July, 1908, no engineer will be allowed to operate or have charge of a stationary steam plant of 50 horse power or upwards who does not hold a government certificate. There are three classes of engineers to whom certificates will be granted without the applicant having to undergo an examination, first, those who on the 20th of April, 1907, (the date on which the Act was passed) held certificates from an asssociation of stationary engineers in Ontario, or a marine or locomotive engineer's certificate; second, engineers who on the above date were in charge of a plant of 25 horse power or over in Ontario; third, engineers who had at any time previous to the passing of this Act, not less than two years' experience in the operation of such a plant in the Province. Those who cannot qualify as above will have to pass the examinations which will hereafter be prescribed by the Board of Examiners.

Those interested may obtain a copy of the act and application forms for certificates by addressing The Secretary, Department of Agriculture, Toronto.

Portlaw

Wedding bells are ringing.

Seeding is now fairly under way and everybody busy.

Another little girl arrived at the home of Mr. and Mrs. J. W. Lyons on Monday.

Messrs. R. and A. McMaster of Eugenia are busy on the 4th line with their well-drilling outfit.

Mr. Joseph Haney of Collingwood visited with his mother, brothers and sisters lately.

Mr. Thomas Fisher, 4th line, has taken a position with merchant St. John.

Mr. T. Sherwood's lime kiln took fire the other day, the result is a big pile of mortar material.

Arbor day was observed at our school last Friday. The forenoon was spent in a general clearing up and in planting a garden with vegetable and flour seeds. In the afternoon the teacher and pupils rendered a spicy program, preceded by a generous feed of home made taffy. A number of ladies were present while their masculine friends were at home tilling the soil.

While Mr. and Mrs. S. Udell and two small children were driving recently, their horse, a spirited one, became frightened and turning around suddenly on the road threw the occupants of the buggy out. Mr. and Mrs. S. each received some severe bruises, but are thankful to escape what might have been a serious accident.

The case of Leech versus Corbett, in which the defendant, John Corbett, who lives near Victoria Corners, was charged by Mrs. Geo. Leech, of Inistioge, with pointing a gun at her boys, was before magist.ates McGregor and Sinclair again last Saturday. The evidence, which was not available the previous Saturday, was heard. At the conclusion the magistrates held opposite views, Mr. McGregor being for committal. We understand the plaintiff and defendant fixed up the costs, and that the case will not go any further. A G, McKay for prosecution and I. B. Lucas for defence.—Herald.

Of Course Bu-Ju Will Cure You.

If you are suffering agonies with Rheumatism. Sciatica or Neuralgia—if the Kidneys are so affected that you have pains through the hips and in the small of the back—don't hesitate a moment in spending 50c for a large box of Bu-Ju, the Gentle Kidney Pill. You will get such relief from the first few doses that nothing could persuade you to discontinue until cured. Bu-Ju not only saves you endless suffering—it completely removes every trace of Rheumatism and Kidney Trouble. If your druggist will not supply you with Bu-Ju, send retail price to The Claflin Chemical Co., Limited, Windsor, Ont, 56

Just eight inches of the beautiful snow fell last night while some slept. Don't think it strange. There are some people in Huntsville today who saw snow fall 15 inches on the 1st of May 1851. This was in Grey county, Ont.—Huntsville Forester. There was a very light fall of snow in Flesherton, Grey Co., on May 28th about 20 years ago. It was gone, however, before many of the citizens had breakfasted.—Burks Falls Arrow.

An explosion in a gas buoy last week at Owen Sound seriously injured John Fitzpatrick, and may cause the loss of his sight. The buoy—one of those brought from Seguin and Lone Rock shoals last fall—was ready to be towed to its location, and Mr. Fitzpatrick, who was in charge of the work, was charging it with carbide. In some way, probably through friction, a spark was caused which exploded the gas. Windows were shaken for over a quarter of a mile, and carbide thrown far and wide. Fitzpatrick was leaning over the opening and received the full force of the explosion. His face and left arm were severely and his face also badly cut by flying particles of carbide. Had it not been for the framework, he would have been thrown into the water. As it was, his whole right side is badly bruised from being pitched against the iron work. He was taken to the General Hospital, where he is making fair progress toward recovery.

ALL THIN PALE WOMEN

Can Learn the Cause of Their Nervous, Used-up Condition.

With women ill-health is usually traceable to nerve exhaustion. Feeling rundown and tired most of the time is nature's warning that more nerve-force is required.

You must build up, nourish the body. vitalize the nerves, get more flesh and blood.

Its the abundant nutriment and building material in Ferrozone that enables it to cure so many sick women. It increases the appetite, adds weight and strength, restores lost color and develops a surplus of energy and nerve-force that defies sickness of any kind. There is living proof in Mrs. Daniel Ferguson, Jr., of Prescott, Ont. Read her statement:

"A year ago my health failed. I grew thin and exceedingly pale. At times I was prostrated with nervous and sick headache. All day I was tired. At night it was difficult to obtain restful sleep. My appetite was variable and indigestion bothered me considerably, became morose and suffered from palpitation. You could scarcely believe the benefit I derived in one week from Ferrozone. Color came back to my cheeks. My vitality and appetite increased, renewed nerve force and better spirits came also. Ferrozone did a world of good and made me well.

Remember this: No alcoholic stimulant can nourish and build up like Ferrozone. Fifty cents per pox or six boxes for $2.50. At all dealers, or N. C. Polson & Co., Kingston, Ont, and Hartford, Conn., U. S. A.

New - Tin - Shop.

I desire to inform the public that I have opened a new Tinshop in the Christoe Block, Flesherton. I have purchased Mr. F. G. Karstedt's complete tinsmithing outfit and am fully prepared to do all kinds of custom work, including eave troughing, furnace work and repairing of all kinds. A full stock of homemade tin goods will be kept constantly on hand. I purpose giving satisfaction to my patrons and all my work will be done with that end in view. Give me a call—and a chance to demonstrate my fitness to serve you.

P. Norris, - - Flesherton.
