THE IMPROVED CHARCOAL PIPE.

The Beau Ideal of the Smoker.

THE CHARCOAL PIPE is composed of no other ingredient than *Pure Carbon* in the form of *Charcoal*, and is manufactured in such a form and manner as—while imparting all the requisite hardness, strength, and durability—to preserve its remarkably porous and absorbent quality. It is also calculated, by its great absorption of heat in the bowl of the pipe, to cool the smoke effectually. Tobacco of a coarse and harsh description may be used with impunity; and no waste of the Weed will be experienced, as the charge may be smoked till completely consumed.

These Pipes require no inflated statements to recommend them, and need only be tried once in order to establish to the satisfaction of every smoker their great superiority over all others.

When purchasing be sure they bear the stamp, Patd. Feby. 12th, 1868.

Manufactured by the Carbon Pipe Manufacturing Co.

For Sale at S. P. WHITES, Tobacconist, Princess Street, Wholesale and Retail Agent for Kingston.

THE MONTREAL TEA COMPANY.

THE whole Dominion should buy their Teas of the Importers,

The Montreal Tea Company,

6 HOSPITAL STREET, MONTREAL

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure, and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 2 c per lb. Our Teas are put up in 5, 12, 15, 20, and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are express offices. In sending orders below the amount of $10, to save expense it will be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

Montreal, 1868.

The Montreal Tea Company,
