USED PSYCHINE 20 YEARS AGO.

"Years ago I was almost a physical wreck, and was suffering with lung trouble. Friends and neighbors thought I would never get better. I began to despair myself. Losing faith in my physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my housework again. There are no symptoms of consumption about me now.
"MRS. HENDERSON, St. John, N.B."

THE PROOF.

The following is a sample of thousands of testimonies to the wonderful merits of PSYCHINE in the most difficult cases. Doctors are prescribing PSYCHINE in their practice with the most satisfactory results.

"Several years ago my wife was so seriously ill of lung trouble as for months to be unable to walk, at which time a noted physician told me that the next dress that I would buy for her would be a shroud. She used PSYCHINE and is now reasonably well.

Farmers, Take Notice.

I have ceased working for McCormack machines, not that I had any fault with the implements, but Jackson & Hannah, of Markdale sold a McCormack six foot binder to Mr. Wilson McMullen last harvest for $125.00 on three pays, and his old Patterson binder and then sold the old binder for $1.50, and on next year's terms they are charged to those that perhaps they get them for less than I do. Why don't they sell them to Markdale farmers for the same? This I can prove. I have contracted with Peter Hamilton, of Peterborough, to sell his implements at Markdale and Flesherton. I will sell the binders, six foot on one pay $110, 2 pays $115, three pays $120; drills, one pay 12 hoe drill $61, 2 pays $63, three pays $65, and other sizes to correspond, smaller or larger. I will be at Markdale after the first of March every Saturday. Any one wanting machines or repairs will find me on Saturdays. I have some second hand Drills on hand, some only worked one and two years, Noxon, Oshawa and Peter Hamilton. Also agent for the Cockshutt Plow, Paris Manure Spreader and on Thresher.

Bob Cook Rounded up.

Bob Cook, who defied all the constables in Dufferin county to arrest him, moved west some time ago, but he is coming back again, according to a Winnipeg despatch which says: Word has been received here from Estevan of the arrest of Bob Cook, an outlaw from Dufferin county, Ontario, who is wanted in the east for breaking jail at Grand Valley and for threatening to shoot High Constable Marshall of Orangeville last March. A reward of a hundred dollars was offered for him, dead or alive, and when he settled on a farm near here the Mounted Police promptly took a hand in the game. Sergeant Lett rounded him up and arrested him single-handed, although Cook is credited with having beaten three constables in a fight on the streets of Orangeville when they attempted to lock him up. He had a brace of revolvers, a rifle and shotgun, all loaded, in his possession when Sergt. Lett called. Cook is now in jail in Regina, and will be sent East.

ACordial Invitation to disease

This is an apt description of constipation. Its an unnatural condition to begin with, and it's more, because it brings about blood deterioration, interferes with digestion, renders you susceptible to the infectious diseases and causes anaemia Not so much a purgative as a natural stimulant to the bowels is what you need. You get it in Dr. Hamilton's Pills which increase your liver activity, restore the bowels to perfect action and postively cure constipation and its attendant evils. Insist on having only Dr. Hamilton's Pills of Mandrake and Butternut, 25c per box at all dealers.

Agin the Guvermint Now

The Chesley Enterprise, a government organ, is warm on the Ottawa administration over its action in regard to the new postal law, and in last week's issue lets out in the following style:

The Ontario Press Association, which is supposed to represent the best interests of newspaper men in this province, passed a resolution asking for the increased postage on Yankee papers and magazines. John A. Cooper, editor of the Canadian Magazine, who was one of the big wigs of the press two years ago, was largely instrumental in having the change made. Recently the Press Association requested the Postmaster General not to bring the new law into effect till the end of the year but action has been taken too late. The publishers will have to put up with the new law.

The new arrangement means a loss to us of 34c on each paid-up subscriber in the United States for the balance of this year. We have one subscriber in Dakota paid in advance till Dec. 31st 1911. Our direct loss on this subscriber alone will be $2.42. We have cut our list in the United States from 90 to 68 and at the end of the year all who have not paid $1.50 for 1908 will be removed from the list.

We intend to bill the P. O. Dept. for 34c a year for loss on each of our paid-in-advance subscribers, and if the account is not paid, well we may have a word to say in the g.f.j. about such high handed action.

The daily papers will suffer to a greater extent than the local press. The Montreal Star has notified its subscribers in the United States that henceforth the subscription price will be $9.75 per year as follows: $3 for the paper and $6.75 for postage.

There is a lot of rot talked these days about stimulating trade between Great Britain and Canada. It is a sentimental trade to a great extent, but if the Canadian and U.S. Governments were to come to a mutual understanding in regard to a reduction of tariffs it would be in the best interests of both countries.

As far as the Enterprise is concerned we have 68 good reasons why postage should not be made 8 times greater on papers going to U.S. without at least one year's warning being given.

For stomach troubles, biliousness and constipation try Chamberlain's Stomach and Liver Tablets. Many remarkably cures have been effected by them. Price 25c. Samples free. For sale by W. E. Richardson.

For the purpose of removing obstructions in the Nottawasaga River the Ontario Government has donated the sum of $5000, with an assurance of a further grant if necessary, to complete the work. It is estimated that 10,000 acres of the finest farming land in the Province of Ontario will be thus reclaimed, and made fit for cultivation.

It Actually Destroys the Cause.

That's why catarrh is invariably cured by inhaling "Catarrhozone." The healing vapor spreads to every part of the breathing organs. Germs infecting the tissues of the nose, throat and lungs are killed. Nothing is left to cause inflammation. Spots that are sore are healed. Discharge is cleared away and catarrh becomes something of the past Use "Catarrhozone." and your recovery is guaranteed. Two sizes, 25c and $1.00 at all dealers.

A remarkable case of resucitation is reported from Burlington:—At Zimmerman six-year-old Hazel Bell fell into the mill race when walking across on a plank. Her father jumped into the water and fianlly rescued her, but to all appearance life was extinct. Thinking that he was carrying a dead body, he hurried towards home. Fortunately he met Messrs. Arthur Truman and J. N. Ogg, who procured a barrel and rolled the little girl in it, also rubbing the little body with alcohol. For an hour and a half they labored apparently in vain, but the girl was finally revived. Her brother was drowned in the same mill-race a year ago.

Many Children Sick.

Get their feet wet, catch cold or cramps, and give mothers an anxious time. With the first shiver or sneeze rub the little one's chest with nerviline, gargle the throat, and give ten drops in hot water at bed-time. Next morning all is well. No cold, no time lost at school. If Polson's Nervilne is'nt in your home get it there at once. Dealers sell it in large 25c bottles.
