"LITTLE GIANT"

Corn and Cob, Pea and Oat Mill!

THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a

Corn and Cob Crusher,

surpasses anything of the kind in existence, and fully warrants the unique appelation of the "Little Giant."

This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.

The economy of grinding up cobs with corn, is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.

The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!

These Mills are to be had in all the principal Towns in Canada.

WILLSON HOUSE,

(LATE WILLSON'S HOTEL,)

MAINE STREET, Brockville, C. W.

THE SUBSCRIBER begs to intimate to his friends and the public, that he has leased the above premises, and will feel grateful for a continuance of the patronage heretofore extended to the Hotel.

The situation of BROCKVILLE is one of the pleasantest in the whole line of the St. Lawrence or Grand Trunk Railroad. From it the Traveller may enter at once, by Steamboat, into the exciting scenery of the Thousand Islands. Or, if the wonder ful Rapids of the St. Lawrence are to be visited, the local position of Brockville renders it the most enticing, and at the same time the most convenient spot for taking Steamboat downwards, to Montreal and Quebec.

Brockville also forms a comfortable half way distance between Montreal and Toronto by Railroad, where passengers could enjoy a quiet night's rest, and continue their journey either East or West on the following day, there being a Local and Through Train each way.

THE WILLSON HOUSE

Is Commodious, and one of the most comfortable in America. Omnibusses will attend at the Cars and Boats to carry passengers to the House, free of Charge.

The proprietor is desirous of making his House in reality a home to all Travellers who may stay at his Establishment, and consequently desires to call public attention to the conveniences of the same.

Westport Stages, via Farmerville and Beverly, leaves the Hotel every morning at 9 o'clock. Sundays excepted.

Perth Stage, via Smith's Fall, leaves at 7 o'clock every morning, Sundays excepted.

Merrickville Stage, leaves on Tuesdays, Thursdays and Saturdays, at 3 o'clock. P. M. JOHN BRENNAN, *Proprietor.*
