An interesting item of business in connection with the Kiwanis luncheon Tuesday was the presentation of a beautiful Kiwanis official flag to the Kiwanis Cavalier Drum Corps by Past Lieutenant-Governor Ford W. Moynes. The above picture shows two members of the Corps, David Crossley (left) trumpet soloist and Larry Murphy (right) Bandmaster, receiving the gift. The Kiwanis flag shows a large blue "K" on a white background, and the flag is edged with gold braid. The new flag, raised on an aluminum standard, was carried by the color guard at Port Hope on Dominion Day and at the celebration at Minden on Saturday night.
