Flesherton Advance.

"TRUTH BEFORE FAVOR."—"PRINCIPLES NOT MEN."

VOL XXVI, NO 1324 Flesherton, Ont. Thursday June 6 1907 W. H THURSTON, EDITOR

HERON'S HOLLOW, OSPREY.

The mills and pond shown in the foreground of the above picture were erected by William Heron about the year 1868. They are situated on the Beaver river some six miles east of Eugenia and are now owned by the Georgian Bay Power Co, who propose utilizing them as a water storage for their electric plant at Eugenia. The mills were erected as a woolen manufactory and Mr. Heron did quite an extensive business until his death, 27 years ago, when his brother, Richard Heron, now of Feversham, took them over from the widow and ran them for five years, when they were given up as unprofitable. Later one James S. Taylor, a practical man, purchased them but could not succeed and they were abandoned. This spot is one of the prettiest, from a scenic standpoint, of the many romantic locations along the Beaver river.

Industrial Home Notes

(By an Inmate)

Garden operations, beyond preparing the ground have not yet begun here on account of the cold late season. Should warm weather now set in there may still be a good production of garden truck.

Two more female inmates have been admitted and two male inmates discharged during the last week. The admitted were Mrs. Carson of Owen Sound and Bertha Cann of Euphrasia. The former is completely blind and 97 years of age; it cannot therefore be expected that she will be an inmate of this institution very long at the most although she is fairly lively for one of her great age, still her career in this world must be rapidly drawing to a close. The latter is a spinster of 40 years, apparently strong, healthy and active bodily but somewhat weak mentally.

John Miller was discharged on the expiration of his time on Wednesday last. This is the second time John has left the institution, but being unfit for hard labor returned again to the home after his first trial away, and as he seems no more able now than then to maintain himself it is quite probable that his absence from the home will not be very prolonged at most. The same may be said of Lochie McDonald who left on Friday last. Although a strong able bodied man, 79 summers has passed over his head and he is badly crippled by the contraction of the right leg from an injury to the knee years ago, still he is strong and able to do outside summer work among root crops, pitch sheaves in field and barn in harvest time and later on do underbrushing until the snow brings him to a halt. Lochie was a first class fellow here, milked cows and did other chores, sewed and patched (left handed) for other old fellows and always ready to help those who couldnot help themselves. A fine old Scot is Lochie. He intends to return when he can work out na longer. Richt ye are, Lochie.

Wm. Scott, the youth referred to last week, is rapidly gaining ground; he is now able to be up, sings and whistles like a lark and is able for three good square meals a day. The youngster felt a little chagrined at the statement made of his having only been two years in this country when he has been a whole seven years; we certainly understood him to say two and so did others. Never mind lad it was only a mistake of either of us, but we hope you will soon be all right again, as able to work as you say you are willing; you will find plenty of employment no matter how long or how short you have been in Canada, but we advise you not to get ruffled at every trifling matter which may cross your path.

Mrs. Holly whose domestic duties (we understand) required her presence elsewhere, severed her connections with the home staff last week. Miss Kennedy of Artemesia is engaged to fill the vacancy.

The rev. Mr. Frank of Brookholm and Rev. Mr. Wellwood, Messrs. Manning and Merriam of Chatsworth gave a call at the home one day last week.

There were no visitors on Thursday last.

Tonight,

If you would enjoy tomorrow take Chamberlain's Stomach and Liver Tablets tonight. They produce an agreeable laxative effect, clear the head and cleanse the stomach. Price, 25 cents. Samples free at W. E. Richardson's drug store.

MAXWELL

At the annual meeting of the Women's Institute on Wednesday evening last, officers were elected as follows: Pres., Mrs. Wm. Wright, Vice Pres., Mrs. W. Clinton; Sec. Treas., Miss Lizzie Guy; Directors—Mrs. James Clark, Mrs. Ed. Linley, Mrs. W J. Wright. The Institute is in quite a flourishing condition and great interest has been taken in the work and we with the ladies to still try and make it a greater success during the next year.

Don't forget the farmers annual meeting June 11th. For further particulars see posters.

Mr. George Buckingham, who has been attending the university college, is holidaying at his parental home at present.

Mr. James Gamey of the glen spent a few days with his sister, Mrs. Fred Spofford, last week.

Mrs. Valentine Bell visited with friends in Collingwood last week.

We are very sorry to see Mr. J. Penrose laid up with a very sore hand, blood poison being the cause, but we hope he will soon be able to return to his work again.

Dr. Bond attended the choral concert in Flesherton last Friday evening.

Mr. Ben Scott and lady friend called on acquaintances in our village Monday evening.

Mrs. (Rev) Kemp visited with her sister in Alliston last week and also attended the annual meeting of the W. M. S. in Toronto.

The Methodist congregation of Maxwell have changed their hour of service from 6.30 to 7 o'clock p.m.

Pity the Busy Office Man,

He feels half dead, a sense of nausea, headache and nerve strain. He is on the verge of breakdown through overwork and lack of exercise. These difficulties are best overcome by Dr. Hamilton's Pills which do make the bowles active, stimulate kidneys and liver and thereby free the system of impurities.

To revitalize and stimulate your whole being, to shake off lethargy and tiredness, nothing compares with Dr. Hamilton's Pills which do make good looks, good spirits, good health. Sold everywhere in 25c boxes.

10th Line Osprey

The Osprey Township S S Convention was held in the Presbyterian church at Feversham on Thursday last and was well attended. The speakers were Mr. H. A. Brown B. A., Provincial Secretary, Subject: "The Sunday shool teacher," Rev. Mr. Mathewson B. A., Presbyterian Minister of Priceville, Subject: "Childhood., The Battleground of the Kingdom." Both subjects were handled in a masterly manner and listened to with much pleasure. Mr. Geo. Buckingham gave a short address on Sunday school supplies. Mrs. F. W. Nicholson of Porlaw and Mrs. Dowding of Wareham both gave short adresses and gave points in their experience as Sunday school teachers which will be helpful to all those who are engaged in Sunday school work. The Feversham choir rendered some choice music and a hearty vote of thanks was tendered them. At the close of the service the officers for the ensuing year were elected, namely: Mr. Wm. Wright, Maxwell, Pres., Mr. Hugh Roberts, McIntyre, Vice Pres., Mr. Ed Pedlar, Feversham, Sec. and treas. The visiting committee for the South are Mr. W. W. Anderson of Wareham, and Mr. H. Down of Hatherton. For the North Mr. Robert Henderson, of Rob Roy, and Miss Watson of Lady Bank.

We understand Mr. Wm. Davidson of the 12th line has purchased the Saigeon farm on this line, the price being about four thousand dollars.

Mr. Wm. Hendry has sold the Heathcote farm for four thousand five hundred dollars. Land values are still looking up in spite of backward season.

Proved After Fifty Years.

The test of time has proved that Putnam's Corn Extractor cures quicker, with less discomfort and more thoroughly than any thing else. Contains no acids, is purely vegetable and absolutely guarnteed. Insist on "Putnam's" only—it's the best.
