(LATE WILLSON'S HOTEL,)
MAINE STREET, Brockville, C. W.
THE SUBSCRIBER begs to intimate to his friends and the public, that he has leased the above premises, and will feel grateful for a continuance of the patronage heretofore extended to the Hotel.
The situation of BROCKVILLE is one of the pleasantest in the whole line of the St. Lawrence or Grand Trunk Railroad. From it the Traveller may enter at once, by Steamboat, into the exciting scenery of the Thousand Islands. Or, if the wonderful Rapids of the St. Lawrence are to be visited, the local position of Brockville renders it the most enticing, and at the same time the most convenient spot for taking Steamboat downwards, to Montreal and Quebec.
Brockville also forms a comfortable half way distance between Montreal and Toronto by Railroad, where passengers could enjoy a quiet night's rest, and continue their journey either East or West on the following day, there being a Local and Through Train each way.
THE WILLSON HOUSE
is Commodious, and one of the most comfortable in America. Omnibuses will attend at the Cars and Boats to carry passengers to the House, free of Charge.
The proprietor is desirous of making his House in reality a home to all Travellers who may stay at his Establishment, and consequently desires to call public attention to the conveniences of the same.

Emigrants destined for the Upper Ottawa will find all necessary information at the office of A. C. Buchanan, Esqr., Chief Emigrant Agent at Quebec, which will enable them to proceed direct by this route. They may rest assured that every attention will be paid to them, as also to their baggage. The attention of Emigrants is particularly direct to the great inducements held out by the Government to settle on the Waste Lands of the Crown in this section of the Province.
