WILLSON HOUSE,
(LATE WILLSON'S HOTEL)
MAINE STREET, Brockville, C. W.
THE SUBSCRIBER begs to intimate to his friends and the public, that he has leased the above premises, and will feel grateful for a continuance of the patronage heretofore extended to the Hotel.
The situation of BROCKVILLE is one of the pleasantest in the whole line of the St. Lawrence or Grand Trunk Railroad. From it the Traveller may enter at once, by Steamboat, into the exciting scenery of the Thousand Islands. Or, if the wonderful Rapids of the St. Lawrence are to be visited, the local position of Brockville renders it the most enticing, and at the same time the most convenient spot for taking Steamboat downwards, to Montreal and Quebec.
Brockville also forms a comfortable half way distance between Montreal and Toronto by Railroad, where passengers could enjoy a quiet night's rest, and continue their journey either East or West on the following day, thus being a Local and Through Train each way.
THE WILLSON HOUSE
is Commodious, and one of the most comfortable in America. Omnibusses will attend at the Cars and Boats to carry passengers to the House, free of Charge.
The proprietor is desirous of making this House in reality a home to all Travellers who may stay at his Establishment, and consequently desires to call public attention to the conveniences of the same.
