Remedy for Diarrhoea, Never Known to Fail.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used the preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."—S. Jemison, Spring Grove, York County, Pa. This remedy is for sale by W. E. Richardson.

Eugenia

Haying is almost over in this locality. The crop in general is a light one.

Rain is much needed, as pasture and all sorts of crop are dying up. Oats are very much damaged by the blight. Some fields are almost ruined.

A number of our young folks picnicked at Kimberley on Saturday, and all report a delightful time spent on the banks of the Beaver.

The Eugenia house is so crowded with visitors this season that sometimes some of the young men have to sleep out in tents.

Mr. Laurie Munshaw of Markdale, accompanied by Mr. Dick Dundas, spent the past week as visitors with the former's parents at the Eugenia house.

Garden Party

Probably the most successful garden party ever given in this township was that held at the Rockvale Baptist Church on Friday evening of last week, and Pastor Kipp is, as a consequence, wearing a very cheery expression. Tea was served on tables in the church shed. A football match between Rockvale and Flesherton resulted in a victory for the former. Flesherton band was in attendance and rendered excellent music. Three choruses were rendered by the choir, recitations were given by E. Greenoe and Miss Saunders, and a nice solo rendered by Miss Josie Richardson. There were probably 700 or 800 people present and the evening was pronounced most enjoyable. On Tuesday evening a social was given at the church. The proceeds on Friday evening amounted to $100, and of both garden party and social to $120.00, which will be used in completing sheds at the church etc.

Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. To-day he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by W. E. Richardson.

Robert Lonny of Elmwood was kicked in the face with a horse and had to be taken to the Owen Sound hospital. Mr. Lonny was sitting near the door-way of a blacksmith shop in Elmwood when a newly-shod horse was being led out. Without any warning the animal kicked out with one of its hind feet and struck Mr. Lonny over the eye. He was rendered unconscious and at first was thought to have been killed. He partially recovered however, and on his arrival at the hospital it was found that the bone had been driven back onto the brain. An operation was performed by Dr. Frizell and the broken bone removed and while the injured man is in a very precarious condition, some hopes are still entertained for his recovery.

The brightest comet seen in four years has just come to the notice of Mr. J. S. Plaskett who has charge of the big telescope at the Dominion Observatory. The wandering member of the solar system is approaching the sun, and is daily growing more brilliant. At present the comet can be seen through an opera glass in the early morning, towards the south-east, and in a few weeks will probably be visible to the naked eye. It can easily be distinguished from a star on account of its haziness and larger diameter. The comet will increase in brightness till September, when it will be nearest the sun.
