CAUTION.

THIS IS TO CAUTION any person or persons from trusting of Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Mesars Platts, as they hold my property unjustly and a writ from the Court of Chancery will dispossess whoever may rent their premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

ONE of the best Purgative and Liver Medicines now before the public, namely, Dr. Sanford's Invigorator or Liver Remedy, that is as a Cathartic, easier, milder and more effective than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off the matter, thus accomplishing two purposes effectually without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.

Dr. Sanford's Invigorator is compounded entirely from new articles of medicine, namely, Gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Calomel, without any of its deleterious effects.

Though possessing rare medicinal powers, these Gums have been but little known to physicians, and never used in the prescriptions until used in the form of the Invigorator which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure Liver Complaints in their worst forms.

Indigestion being caused by a deranged Liver is cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as a proof that the Invigorator relieves this disease let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its natural color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it assists nature in her operations. By gradually diminishing the dose, the bowels are left in a healthy and relieved state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases arising from a Diseased Liver. The testimonials of so many of our physicians in its favor, induced us to try it, and now our conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and of so that give pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you, do not fail to try this the greatest remedy in the world.—State Fact.

There has never been tried in our family any medy which has met with such unbounded success in the cure of its ases incident to children, as Dr. Sanford's Invigorator; for it is alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently, and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are cases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It has become so useful in our family that we will not be without it.—Jacksonville, Ala, Republican.

SANFORD'S INVIGORATOR! SANFORD'S LIVER

Joy to the Admirers of a Fine Head
OF

RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all old & young to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, it ching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from turning to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or diseased in scalp, to use it; and surely the young will not as they value the flowing locks, or the whirling curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

Deep River, Conn. July 23, 1856.

Mr. Leavenworth—Sir; I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out scurf and hair together. I saw in a New-Haven paper about "Wood's Hair Restorative" as a cure. I called at your store the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as anything of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect, RUFUS PRATT.

Philadelphia, Sept 9, 1856.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also, the back part of my head almost lost its coverings in last bald. I have used but two half pint bottles of your Restorative, and the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,
D. R. THOMAS, M.D.

Vincennes, Ia., June 22, 1855.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that, I have for several years been in the habit of using other Hair Restoratives, and I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy cool and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,
WILSON KING.

The Machinery will either be sold along with the property or separately, as may suit the purchaser.

The Frame House, and a small portion of the ground, is at present rented for more than covers the ground rent of the entire premises, thus leaving the Factory, its out buildings and about two-thirds of the ground the rent free.

A profitable and large manufacturing business is at present carried on in the premises, which might be retained by an active man, the party disposing of it only doing so from being unable to attend to it by age and bodily infirmity.

If required, a large and commodious Brick Building for a ware-room in the immediate neighbourhood would be leased to the purchaser along with the Factory.

This presents a rare opportunity for an active business man, with some means to enter upon a profitable business, which cannot fail in the hands of a man of moderate enterprize to yield him an independence in few years.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, and Hoarseness.

BRIDGEPORT, Conn., Feb. 22, 1856.

Dr. J. C. AYER: Having in my congregation the best singer I have ever found for church purposes, I advised, and did purchase a bottle of your CHERRY PECTORAL for her. It proved to be just the article for her complaint, BENJAMIN LIGHT, M.D.

A. K. NEWCOMB, Esq., of Iowa, N.Y., writes: "I have used your PECTORAL myself and in my family ever since it was introduced into this place, and find it to answer all the purposes you claim. With a box and a half I cured my daughter of a cough that no other medicine could touch, and she is now in the full flesh and health of young womanhood. I have no hesitation in recommending it to the confidence of those who are in need of such a medicine."

HIRAM CONKLIN, M.D.

AMOS LEE, Esq., Montreal, L.C., writes, 24 Dec., 1856: "I had a severe cough, which would not let me sleep six weeks; took many medicines without relief; finally tried your Pectoral, by the advice of our community. The first dose relieved the soreness in my throat and tongue; two bottles cured me. I believe it has made me completely well. Your medicines are the cheapest and best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a hard case of Asthma. I have relied under an affection of the lungs for the last forty years. J. HENRY, for PARK & NEWHART.

A. A. RAMSEY, M.D., Adair, Monroe Co., Iowa, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases of this fatal disease as human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you that your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which we did not think she could recover. She took your medicine readily and it seemed to relieve her cough and ease her lungs, until Dr. Stevens, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as well as your skill, for she has recovered from that day. She is now well and can use her voice in the pulpit as she was wont to do before her sickness. Her cough and colds never hang on her now, and she is altogether well.

Yours with gratitude and regard,
ORLANDO SHEPARD, of Barnsville.

CHARLESTON, SC., Oct. 8, 1855.

GENTLEMEN, do not suppose that you have tried AYER'S CHERRY PECTORAL. It is my duty to inform you of the benefit I derived from its use. Its effects upon my wife were astonishing, and I feel that I owe it to the cause of humanity to make her case known. Her disease was of the lungs, and quite hereditary. Her mother died of it, and her sister was then in the last stage of Consumption. Her cough was very severe, and she was much reduced by night sweats and other symptoms of the disease. Your PECTORAL cured her, and she is now in the full flesh and health of young womanhood. I have no hesitation in recommending it to the confidence of those who are in need of such a medicine."
