MAXWELL

The Orangemen celebrated the 5th of November by holding a grand concert. Mr. I. B. Lucas and Dr. Sproule were present. Mr. Lucas filled the chair in a most able manner and the Dr., well known as one of the foremost of platform speakers, gave an excellent address on Orangeism. Miss Gardner of Kemble made a most favorable impression. She has an excellent soprano voice, which shows careful training and she sings with fine expression and artistic finish. Her voice throughout retained its freshness and purity of tone which goes to show the excellence of her method and her command of it. Miss Mae Whiteoak created a most favorable impression with her violin playing.

Hatherton

On November 6th the home of Mr. and Mrs. George Grummett was the scene of a pleasing event, it being the marriage of their eldest daughter, Clara Mae, to Mr. Robert Arnott. Rev. Mr. Ryan, Anglican minister of Dundalk, officiated at the ceremony which was performed in the presence of about forty guests. At half past three the bridal party entered the parlor to the strains of the wedding march, played by Miss Mabel Young. The bride was prettily gowned in cream cashmere with trimmings of silk lace; while the bride's maid, Miss Alice Menzies, cousin of the bride, was similarly attired in a suit of cream albarross. The groom was assisted through the trying ordeal by the bride's brother, Mr. Samuel Grummett. The young couple have the best wishes of a large circle of friends and acquaintances for a long and happy married life. The presents were numerous and suitable. In the evening a reception was held for the young friends and acquaintances of the bride and groom. Music, games and dancing were the pleasures of the evening. They will be at home to their friends and acquaintances after November 20th.

A Good Liniment

When you need a good reliable liniment try Chamberlain's Pain Balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by W. E. Richardson.

I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by W. E. Richardson.

The Youth's Companion Calendar for 1908.

The publishers of The Youth's Companion will, as always at this season, present to every subscriber whose subscription ($1.75) is paid for 1908 a beautiful Calendar for the new year. Four paintings by artists of distinction are reproduced in the four panels of the Calendar by a process of color printing which has been recently brought to remarkable excellence. The first of the panels is an inspiring sea scene, full of the beauty of the wide ocean and sky, and the joyous rush of the homeward bound ship. The second is a fine cattle piece. The third pictures an old mill at Zaandam—typically Dutch in treatment. The fourth panel depicts a "Girl with Roses" –a charming face, exquisite in color and expression. All the pictures are worthy of preservation long after 1908 has passed into the good old times.

PRICEVILLE

Fine November weather. Farmers busy plowing and the farm stock doing well in the fields.

A large number of the ratepayers are grumbling at the higher school taxes this year, authorized by the new Provincial acts and it is particularly irritating to some of the old bachelors.

The latest sensation is caused by the Grand Jury's report on the House of Refuge at Markdale, and the people are anxiously waiting for the final report of the investigation. We have talked with inmates of the institution and also with members of the County Council and we do not see where that jury had ground for such a report. If the Grand Jury's report turns out to be a grand mistake, or incorrect in the main then Grey county should never rest quiet under a scandal and if a dozen men got mulcted with $10.000 damages it would likely be a check on political wire pulling.

Railway construction—Steel 7 or 8 miles west of Priceville.

House of Refuge Alright

Dr. R. W. Bruce Smith, Inspector of Provincial Hospitals and Charities, has investigated the allegations made by the Grand Jury against the management of the Markdale House of Refuge. Taking the charges categorically, he finds little or no reason for complaint. Manager Harness' system is economical, but, he concludes, "I have failed to find that the inmates have suffered on account of the superintendent's, perhaps, too rigid economy. The County of Grey is to be congratulated on having one of the best Houses of Refuge in Ontario, and the result of the investigation clearly indicates that the management and discipline of the institution are excellent, that the officials are capable and efficient, and, what is most important, they are kind and thoughtful for the comfort and welfare of those entrusted to their care."

There is no "dark hole" in the underground recesses of Markdale House of Refuge, wherein inmates are secretly confined in durance vile, as recently alleged by the grand jury of Grey County. Dr. R. W. Bruce Smith states that there is a locked room of good size where an inmate could be placed, if necessary. "During the past eighteen months it was only necessary to confine two inmates," says the report, "24 hours at a time in this room for conduct that amply justified the action taken by the Superintendent."
