A Suggestion Of Rare Value

A diseased condition of the surfaces of the air passages causes bad breath, but more commonly emanates from digestion or any impure condition of the blood. Thousands of cases prove that Dr. Hamilton's Pills through their specific action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything sugestive of blood or digestive troubles is impossible. Through Dr. Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold everywhere in 25c boxes.

A National Live Stock Convention

A meeting of the Executive Committee of the National Live Stock Association was held on Thursday, November 7th, at the office of the Live Stock Commissioner, Ottawa, to consider the calling of the next convention of that body. The meeting was attended by the President, Hon. John Dryden, Toronto; Vice President, Robt Ness, Howick, Que.; Messrs. G. A. Gigault, Quebec, Que., Arthur Johnston, Greenwood, Ont. and J. G. Rutherford, Live Stock Commissioner. Owing to illness the secretary, Mr. Westervelt, was unable to be present. The Hon. Sydney Fisher attended the meeting during the early part of the day.

Arrangements were made for the holding of the next convention at Ottawa, on February 5th, 6th and 7th, next. These dates were selected so as to permit the breeders from Western Canada and also from the Maritime Provinces to attend the meetings of the cattle, sheep and swine associations, most of which will be held at the end of January and during the first few days in February, as also the Horse Show and meetings of the Horse Breeders' Associations which are arranged for the week following.

A programme for the convention was informally discussed but not definitely arranged. A number of subjects will probably be dealt with, but it is likely that the principal discussion will be on the advisability of amending the regulations governing the admission to Canada of pure bred stock. It is also proposed to take up and discuss the bes means of retaining for our Canadian breeders the Canadian market for pure bred stock and it is probable that a number of specially prepared papers on this subject will be submitted. The future export trade in pure stock will also be discussed, while it is expected that considerable light will be thrown on our export trade in cattle and sheep for slaughter as also our export trade in meats and meat food products.

The fact that a majority of the live stock meetings are to be held immediately prior to the convention will render it possible for these bodies to definitely instruct their delegates as to the stand they are to take on the various subjects likely to come np for dissussion. While this advantage will not be shared by a number of the horse breeders' association it is to be hoped that the latter will hold special executive meetings for the purpose of instructing their delegates to the convention.

TIREDNESS MEANS DANGER!

ndicates Faulty Blood and Worn-out Nerves—Build Up, or Total Collapse will Surely Follow.

When you're tired all day, bothered by trifles, exhausted with nervousness, be sure there is something wrong.

You need bracing up, need more nourishment in the blood, need a powerful medicine to vitalize the nerves and distribute force and staying power to all over-worked organs.

The most marvelous success is Ferrozone, a nourishing tonic so scientific as to be the admiration of every physician. Ferrozone performs wonders for people in poor health; it acts directly on the blood, enriching it with strength and new life that is at once dispatched to all parts of the body. Ferrozone feeds the nerves and vital energies, supplies force, determination and joyous buoyant spirts.

A case where there was lassitude and lack of strength is told by Mr. David Brown, of post-office box No. 30 Beeton, Ont.: "About a year ago my health commenced to fail. My hands and feet seemed always cold. I felt worn-out and exhausted, weak as a little child. My face twitched. My limbs and arms commenced to lose their sense of feeling and finally my left side was perfectly numb. All my color left. My appetite ran down. Ferrozone was the first to give me any help. I improved with it very quickly. It toned up the blood and started circulation, so that the numbness gradually disappeared. My condition was perfectly cured by Ferrozone, and I have been well ever since. (Signed) David Brown."

SPECIAL NOTICE—To get satisfactory results be sure you get Ferrozone only. Fifty cents per box or six boxes for $2.50, at all dealers, or N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

What was characterized by Inspector Campbell as the "best rural schoolhouse in Grey County," is that of the new edifice of S. S. No 7, Egremont. The building exemplifies most of the modern ideas in school architecture. It is solidly built and well finished, without and within. Its exterior is picturesque and pleasing and it interior is bright and convenient. It has a basement that can be used for a playroom in bad weather and is surmounted by a belfry. It is heated by a furnace and has a complete and thorough system of ventilation. Its lighting is ideal, the windows being to the left of the pupils. It has oiled hardwood floors, white painted wood ceiling, and a bundance of real slate blackbaard. Its outer doors open outwards and its inside doors swing both ways. It has separate cloak rooms for boys and girls, each with a lunch closet. There is a room for supplies and the teachers private use. It is the intention we believe to farther beautify the interior with pictures and other pictures of art, and embellish the surroundings by laying out the grounds and planting trees. The school is certainly one of which the section may be proud, a credit to its enterprise and the care and foresight with which the trustees and architect have carried out the work. The new school will cost over $3000.

Almost Dead of Bronchitis

Few people have suffered more than Jno. P. Taylor of Dyment, P. O., Ont. Today he is well and writes,—"I must tell you how much Catarrhozone has been to me. I was so bad with bronchitis sometimes I thought it would soon be over with me. A spell of choking would come on that left me prostrated and weak. Since using Catarrhozone I have had no trouble at all. It strengthened my throat, stopped the cough, gave me free breathing and entirely cured." Just the experience. Catarrhozone invariably cures whether Bronchitis, Asthma or Catarrh. Two sizes, 25c and $1.00 at all dealers.

Dairy Commissioner J. A. Ruddick has been telling the Ottawa correspondent of the Globe that the present high price of butter in the cities and towns of Canada is just about the limit which can be charged by the producers in this country. He explained that any further rise in prices would be met by importations of of butter from Denmark or other European sources, which can be profitably placed on the market here at about 30 cents per pound. There is a plentiful supply of Dairy products in Europe this year and the effects of high prices now prevailing in Canada has already resulted in considerable exportation to Canada. The ruling price of good butter in London is now about 24 cents per pound and it can be sent across the Atlantic and marketed here with a fair margain of profit at an additional cost of five or six cents per pound.

You are a Mighty Funny Man

if you have Kidney or Bladder Trouble, and wont try Bu-Ju. Because Bu-Ju is the one remedy that is guaranteed to cure you. You can get your money back if Bu-Ju does not live up to every claim made for it.

BU-JU
The Gentle Kidney Pill

It gives relief from the headaches, pain in the back, aching, swollen hands and feet. It heals and strengthens the Kidneys as nothing else will. It enables the Kidneys to filter impurities from the blood, allays irritation of the bladder, and gives grateful help in Rheumatism and Sciatica.

THAMESVILLE, ONT.
"I have taken three boxes of your Bu-Ju Pills, and feel greatly benefitted by their use. They have entirely removed the pains from my back, and the spots before my eyes have entirely disappeared. My ankles were badly swollen, and now I feel quite well." WM. MCKENZIE.

50c. a box. At druggists, or sent direct on receipt of price.

THE CLAFLIN CHEMICAL CO., LIMITED
WINDSOR, ONT. 68

Some time ago a sample package of pills was left at the residence of Gabriel Ste. Croix and it was laid aside without any being used. A few nights ago a member of the family upset the box and some of the pellets rolled about the floor. A pup was frisking about the room and without being noticed ate the pills. Shortly afterwards he was a "goner," the dose proving too much for the dog's stomach.—Orangeville Sun.

Biliousness and Constipation

For years I was troubled with biliousness and constipation which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by W. E. Richardson.
