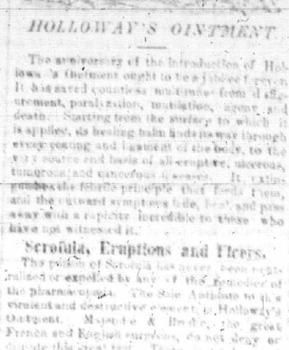
WONDERFUL COINCIDENCE

All Nations of the same Mind!



HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee! It has saved countless multitudes from disfigurement, paralysis, mutilation, agony, and death. Starting from the surface to which it is applied, its healing balm finds no way through every vessel and channel of the body, to the very source and basis of all eruptive, mucorous, cancerous and cancerous diseases. It calls upon the fluids principle that feeds them, and the outward symptoms fade, fear and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Fleers.

The poison of Scrofula has never been equalled or excelled by any of the remedies of the pharmacopœia. The Sole Antidote to this ancient and destructive concern is Holloway's Ointment. Mapatie & Brodie, the great French and English surgeons, do not delay or dispute the great fact. There is no loss of scrofula that may not be contracted and cured by this balmy remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vessel, and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYSIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides, fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds,
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Corns,	Skin Diseases,	Tetter,
Gout,	Swelled Glands,	Tumors,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds
Piles,	Sore Heads,	Worms of all kinds.

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information, as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York; 244 Strand London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 62 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. 226

THE MOST POPULAR BOOK OF THE DAY IS

MABEL VAUGHAN.

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "ONE OF THE MOST SUCCESSFUL WORKS OF FICTION EVER ISSUED IN THIS COUNTRY."

One of our best Critics says—

"It is a charming story, in which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is far in advance of 'The Lamplighter.'"

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

WM. KENNEDY, of Rochester, Kingston, and Toronto, C. W., is now prepared to cure, in one of our Celebrated Weeks, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, both bad cases indeed. He has now by his possession over two hundred testimonials of the value, all within twenty miles of Kingston.

Two are bottles warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of blotches.

Two bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors in the eyes.

Two bottles are warranted to cure running of the ears and bleeding among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Cantham, N. H., Dec. 15th, 1856.

Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellowmen, I write to you what your Discovery has done for me.

In December, 1853, I was taken with the Rheumatism; since then, I have suffered every thing but death for fourteen years.

I have had $[illegible] different doctors and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me; I was so old, being 58 years of age. He was a good doctor, so I told I could try your medicine. I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful, and the next morning I was in no more pain—no more than a child two years old, and have been going ever since. I am now, Dec. 15th, 1856, on my seventh bottle.

When I first took my oil I had to walk or hobble on two crutches; this day I can go and have gone over the first mountain and crutch or cane, but I am yet weak in my legs, but I feel better every bottle I take.

If I had a silver dollar for every cent, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it to my fellow men. If it cures me it will any one in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had tried—in what he sees now, he would not have believed them; but he must believe his own eyes.

ABRAHAM WEBB,

South Chatham, N. H.

CURE OF A HUMOR OF 14 YEARS' STANDING.

Mr Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures your Medical Discovery has done on me.

For four or five long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, one of which broke out upon my nose, which I began to fear would become of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would fret, irritate and smart. I often felt that I could tear them off the bone; in this state I suffered during these long years, discouraged and despairing of relief. Every winter, the pain came all in my face and the hair of my eyebrows came out by the roots. My ears looked like roasted meat, dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it I can hardly think that I am myself. When your Discovery first came to Malone, I looked upon it as a humbug and set my self against it, after a few months I heard of so many wonderful cures by it, that I concluded to try it myself. I could hardly believe it when I was getting better. You will excuse me when I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN SMITH, Atkinson, Me.

Charlestown, March 22, 1855.

Mr. Kennedy: Respected Sir—It is now two years since I began to use your Discovery, and feeling that my health has been greatly improved by the use of it, I feel in my duty to inform you how much I prize your valuable medicine. I had for a number of years been troubled with the Erysipelas, and having used a great many advertised medicines without success, I had almost despaired of ever recovering from the disease, when one day a friend gave me one of your Circulars, and after perusing it, I resolved to embrace the first opportunity I had in purchasing two bottles of the medicine. After using it, I found my health was improving; and since then have continued the use of it in my family, to my great pleasure to certify to the, and it is my impression that through your instrumentality a great deal of human suffering will be relieved.

I am dear Sir,

Very respectfully yours,

JOS. T. HART.

Boston, Dec. 8, 1855.

Mr. Donald Kennedy.—Respected Sir: The first impulse of a man who has been rescued from sickness to perfect health, is gratitude to the hand that has healed him.

Although personally you are unknown to me, and this correspondence is unsolicited by you, still I feel it a duty I owe to you as the discoverer of the "Medical Discovery," and to the public generally, to make a fair statement of my experience in the use of your valuable medicine.

At the commencement of the present year, and indeed for some months previous, a terrible Scrofulous humor broke out upon my neck—large swellings ensued, so that my neck and face presented an even surface. I was then at Lowell, Mass., and hearing of your "Medical Discovery," I purchased a bottle. I felt that it was benefiting me, and upon using a second bottle found myself perfectly cured. All I can say is, that whereas I was sick now I am well. In all gratitude I remain, yours truly,

J. L. CLARK,

23, Lowell street, Boston.

CURE OF BOILS AND CONSTITUTIONAL DEBILITY.

Mr Kennedy—Sir,—You know the condition in which I was when I began your medicine, I don't think you ever saw a worse case. I had boils in regular crops one after another, in succession, frequently from two to three down at a time. By the use of your wonderful medicine, I get quite clear of them. I gave the medicine to my children, and I consider it to be true to its name—the greatest medical discovery of the age.

JAMES CARVER, Quincy.

Dr. Kennedy's Medicine—We are requested by Major Doughty, of Greenwood, in this county, to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty states, that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's medicine, has taken four bottles, and is now, and has been for the last three months, in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. The Medicine of which he is willing to make affidavit, is sold by Newman Ayer.
