The Liver Invigorator.

PREPARED by Dr Harrison, is a Great Medical Discovery, and is daily verifying cures almost too great to believe. It cures in all by stomach, even the first dose generally, and a dose more than one bottle is unnecessary to cure any kind of Liver Complaint, from the Jaundice or Dyspepsia to a common sick headache, all of which are the result of a Diseased Liver.

The Liver is one of the human system, the principal regulator, and when it performs its functions well the powers of the system are fully developed and the health of the body is perfect. When the Liver is out of order, the bowels are sluggish, the blood is poisoned, the whole system is deranged, and the whole economy of the body is out of order. Dyspepsia, Costiveness, Piles, Headache, Jaundice, Dizziness, Sick Headache, Pain in the Side, Back, Chest, Limbs, &c., are the consequences of a Diseased Liver.

To prove that this any person from the use of this Liver Invigorator, has compounded certain A compound, containing purely vegetable parts and extracts which is suitable for the medicine. These herbs are a perfect substitute for calomel, healthy to the whole system, purifying the blood, giving tone and vigour to the whole system, removing the causes of the disease, and effecting a radical cure without any of the disagreeable consequences attendant upon Calomel or Mercury usually resorted to.

One dose taken at night is sufficient, to relieve the stomach and bowels, and to prevent the food from rising and souring.

One dose taken before retiring prevents costiveness.

One dose taken before retiring at night loosens the bowels gently, and cures costiveness.

One dose taken after Dyspepsia.

One Pill, dose of Liver Complaint.

One dose taken for removes the cause of the present cure.

Only one dose taken will prevent the recurrence of all these attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellow appearance at once from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose taken for Chronic Diarrhoea in its worst forms, while summer complaints yielded almost to the first dose.

One or two doses cures attacks caused by Worms, while for worms in children, there is no surer, safer, or speedier remedy in the world, as it never fails.

There is no exaggeration in these statements they are plain matter-of-fact, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtues of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which is restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and therefore no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Coshocton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season, and one of your local agents (R. M. Hodges, Esq.) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs to vigorous action, and to a healthy state, like your Restorative. Yours &c.

JAMES FRANCIS.

Wayland, Mass., Feb. 8, 1857.

Prof. O. J. Wood & Co.—Gents: Relying on the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.

EXTRACT OF A LETTER from a MEDICAL GENTLEMAN at Madras, to his Brother at WORCESTER, May, 1851.

ROWLANDS' MACASSAR OIL

Possesses particularly nourishing powers in the growth, restoration, and improvement of the Human Hair, and is now universally acknowledged to be the cheapest, and superior to all other preparations for the Hair. It prevents it from falling off or turning grey—strengthens weak hair—eleases it from Scurf and Dandruff—and makes it beautifully soft, curly, and glossy. In the growth of the Beard, Whiskers, Eyebrows, and Mustachios, it is unfailing in its stimulative operation. For Children it is especially recommended as forming the basis of a beautiful head of hair.—Price 3s. 6d. and 7s.; Family Bottles (equal to 4 small), 10s. 6d.; and double that size, 21s.

NEW LABEL.—To prevent the substitution of Spurious Imitations for the genuine article, by unprincipled Shopkeepers, a New Label from Steel, by Messrs. Perkins, Bacon & Co., of London, is now used, which cannot be forged. The subjoined is a small copy in outline of a portion of the Label, as it appears round the bottle.

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless millions from disfigurement, paralysis, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm feels its way through every tissue and element of the body, to the very source and basis of all eruptive, ulcerous, tumorous, and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptom fades, fries, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula had never been eradicated or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive enemy is Holloway's Ointment. Mr. Goode & Boden, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

This knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, purifies first the circulation, and pervades every infected vessel, and kills the disease by destroying the corrosive principle that generated and sustained it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYSIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES,

WOUNDS, SCRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides, fever and lockjaw are prevented, and under a preserving use of the preparation the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Corns,	Skin Diseases,	Tetter,
Gout,	Swelling Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds.
Piles,	Sore throats,	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

, Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, 244 Strand, London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

THE MOST POPULAR BOOK OF THE DAY IS

MABEL VAUGHAN,

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "ONE OF THE MOST SUCCESSFUL WORKS OF FICTION EVER ISSUED IN THIS COUNTRY."

One of our best Critics says:—

It is a charming story, to which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is far in advance of The Lamplighter."

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure scurvy and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Cambus, N. H., Dec. 15th, 1855.

Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellowman, I write to you what your Discovery has done for me.

In December, 1852, I was taken with the Rheumatism; since then, I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was an old man, I was 72 years of age. He was a good doctor, so called. I told him nothing ventured nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful, and the next morning I was in no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec. 15th, 1855, on my seventh bottle.

When I first took any of it I had to walk or hobble on two crutches; this day I can go and have gone over the floor without any crutch or cane, but I am yet weak in my hips; but I feel better every bottle I take.

If I had a sheet four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It it cures me it will any one in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had told him what his eyes now saw, he would not have believed them; but he must believe his own eyes.

South Chatham, N. H.

CURE OF A HUMOR OF 14 YEARS' STANDING.

Mr Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures your Medical Discovery has done on me.

For fourteen long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which oozed thick yellow matter, of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would irritate and smart. I often felt that I could tear flesh off the bones, in this state I suffered during these long years, discouraged and despairing of relief. Every winter the skin come off my face and the hair of my eyebrows came out by the roots. My face looked like roasted meat, dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it I can hardly think that I am myself. When your Discovery first came to Maine, I looked upon it as a humbug and set myself against it; after a few months I heard of so many wonderful cures be it, that I concluded to try one more. I could hardly believe it when I was getting better. You will excuse me, but I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN SMITH, Atkinson, Me.

Charlestown, March 22, 1855.

Mr. Kennedy; Respected Sir—It is now two years since I began to use your Discovery, and feeling that my health has been greatly improved by the use of it, does it my duty to inform you how much I prize your valuable medicine. I had for a number of years been troubled with the Erysipelas, and having used a great many advertised medicines without success. I had almost despaired of ever recovering from the disease, when one day a friend gave me one of your Circulars, and after perusing it, I resolved to embrace the first opportunity I had in purchasing two bottles of the medicine. After using it, I found my health was improving; and since then I have continued the use of it in my family. It gives me great pleasure to certify to this, and it is my impression that through your instrumentality a great deal of human suffering will be relieved.

I am dear Sir,
Very respectfully yours,
JOS. T. HART.

Boston, Dec. 8, 1855.

Mr. Donald Kennedy.—Respected Sir: The first impulse of a man who has been restored from sickness to perfect health, is gratitude to the hand that has healed him.

Although personally you are unknown to me, and this correspondence is unsolicited by you, still I feel it a duty I owe to you as the discoverer of the "Medical Discovery," and to the public generally, to make a fair statement of my experience in the use of your valuable medicine.

At the commencement of the present year, and indeed for some months previous, a terrible Scrofulas humor broke out upon my neck—large swellings ensued, so that my neck and face presented an even surface! I was then at Lowell, Mass., and hearing of your "Medical Discovery" I purchased a bottle. I felt that it was benefiting me, and upon using a second bottle found myself perfectly cured. All I can say is, that whereas I was sick now I am well. In all gratitude I remain, yours truly,

J. I. CLARK,
23, Lowell street, Boston.

CURE OF BOILS AND CONSTITUTIONAL HUMOR.

Mr Kennedy—Sir,—You know the condition in which I was when I began your medicine, I don't think you ever saw a worse case. I had boils in regular crops one after another in succession, frequently from two to three dozen at a time. By the use of your wonderful medicine, I got quite clear of them. I gave the medicine also to my children, and I consider it to be true to its name—the greatest medical discovery of the age.

JAMES CARY & QUINCY.

Dr. Kennedy's Medicine—We are requested by Major Doughty, of Greenwood, in this county, to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty says his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's medicine, has taken four bottles, and is now, and has been for the last three months, in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. To the best of which he is willing to make affidavit at any time.—Norway Adv.
