Since May last we have had to place a one cent stamp on every copy of The Advance going to the United States. This burden was placed on us by the government and meant that we lost money on each subscriber for the past year. Of course we did not expect our U. S. subscribers to reimburse us, but had hoped to retain them all at the new rate. A gratifying number have already renewed and one gentleman, Mr. J. L. Ludlow of Port Huron, added 30 cents to cover cost of postage paid since May last. We wish to thank Mr. Ludlow for his kind thoughtfulness and also for the kind words that accompanied his remittance.

Why Liquid Catarrh Remedies Fail.

They go direct to the stomach, have very little effect on the linings of the nose and throat, and entirely fail to cure. Only by cleansing the air passages by relieving the inflammation and killing the germs is cure possible. No combination of Antiseptics is so successful as Catarrhozone. In breathing it, you send the richest pine balsams right to the seat of the disease. Irritating phlegm is cleared out, hoarseness, coughing and hacking are cured. For a permanent cure for catarrh, nothing equals Catarrhozone, 25c. and $1.00 at all dealers.

The groomsman, Mr. William Reid, and the bridesmaid, Miss Marguerite Dow, both of Ceylon, stood up for the happy couple. After the ceremony and congratulations they all repaired to their residence in town where a dainty repast and many friends awaited them The town and The Advance extend their best wishes to the happy couple that prosperity and many Christmas returns may see them in life together.
