A MONSTER CLEARING SALE

Beginning on

TUESDAY. JAN. 14TH

and continuing every day during the month.

Store will be closed tight on Mon., Jan. 13

We close our store on Monday for the purpose of re-marking our goods and getting the stock in shape.

Great Slaughter in Prices

We are going to make everything in our store move. Goods which have been going slolwy will have to "go some" because we will make the prices such that they will go. We think it is better to take a loss early in the game rather than leave the goods in stock until they become shop-worn. Our aim is to keep the stock clean and up-to-date, and, too, we want to reduce our stock in order to make room for large consignments of goods which will arrive early in February---and also to raise money that we can meet our bills promptly.
