The annual entertainment of the Methodist Sabbath school on Wednesday evening of last week goes on record as a success, considering the poor roads. Supper was served in the basement of the church, which has just recently been completed. Many were the favorable comments passed upon the neat and comfortable appearance of the basement. After tea an excellent program was given in the body of the church, consisting of drills, recitations, solos, duets and choruses. Several drills were given, including a Tambourine Drill by nine little girls, a Ring Drill by twelve young ladies and a Japanese Fan Drill by three little girls from Flesherton. A recitation and song "Will There be any Stars in My Crown?" was admirably rendered by five little boys. Little Albert Buchanan gave a lengthy recitation which elicited hearty applause. A duet was sung by Misses Maggie Davis and Eva Gilbert, and solos by Mrs. Fred Boland and little Julietta Davis. A motion song was given by seven little tots. Addresses were given by Rev.'s J. S I. Wilson and Dr. Caldwell. The Secretary, Mr Howard Graham, gave the report of the school for the past year. The report showed the school to be in a thriving condition, and was gratifying in every detail. Mr. Wm. Buchanan, the Superintendent of the school, was the chairman for the evening. The proceeds amounted to about $20.00.

Stone Settlement

We inadvertently omitted to mention in last week's items that the many friends in Ceylon were largely represented at the party who so agreeably surprised Mrs. T. McArthur recently, in fact we were totally ignorant of that fact until the items had gone to post. On these grounds we trust the good people of Ceylon will excuse the omission.

Be ware of Cocaine Medicines.

Thousands of Drug Fiends have been started on their downward course through Catarrh snuffs containing this habit forming drug. If you suffer from a cold, sneezing or Catarrh—don't use a snuff—use a sensibility treatment like Catarrhozone. It heals and soothes, brings relief at once, cures thoroughly. In Bronchitis and throat trouble no doctor can do better than prescribe Catarrhozone. Try it—See what wonders it works—what power it possesses Different from the old way, you inhale Catarrhozone. Sold in 25c and $1.00 sizes by all dealers.

At the annual meeting of the members of Owen Sound Agricultural Society, the treasurer's report showed a balance on hand of $2.51. That enormous surplus should be handed over to Mayor Kennedy to assist in closing one of the dives in town thus reducing the number to 60. —Chesley Enterprise.

Richard Boyle of Alma on Tuesday butchered a pig between 12 and 13 mos old that tipped the scales at 490 pounds dressed weight. The hog measured 7 ft. 2 inches from tip to tip, and around the heart 4 ft. 9 inches. Mr. Boyle evidently understands hog feeding for results. He should get a job as lecturer with the Farmers Institute, making "Hog feedidg" his special subject —Grand Valley Star.

COLLINSON BBOS.

Mr. Geo. Wright, of Collingwood, recently purchased from a farmer near Meaford eighteen tons of hay. On Wednesday last he left a load on the side of the road ready to start next morning for Collingwood. When he came to hitch to the sleigh he found some evil disposed person had set fire to the load and both hay and sleighs were burned up. Such reprehensible conduct is deserving of severe punishment.—Reflector.

Beware of Substitutes!

Greedy dealers endeavor to palm off a substitute for Putnam's Corn Extractor. Insist on "Putnam's" only—it cures corns and warts thoroughly. The imitation may fail.

It is said that at Ottawa the opinion prevails that there will be no election for the Dominion this year.

The Ontario Government has under consideration the advisability of calling a general conference of the Liquor License Inspectors with a view to obtaining still more efficient service, uniformity of action and clear interpretation of the clauses of the Act. The conference will probably be held in Toronto during the sittings of the Legislature. Hon. Mr. Hanna has already indicated that there will be no radical changes in the License Act during the coming session. This implies that the three-fifths clause will stand.
