Crushed Against Truck

Crushed between a moving van and its trailer Mr. Harold Sheppard of Toronto was injured in town last week and the services of a doctor were required, and Ross Miles, who was assisting, had his hight hand badly lacerated.

The accident occurred when the men are said to have been uncoupling the trailer from the van ahead pinning Mr. Sheppard between the two vehicles.

The victim owes his life to the fact that the trailer was on an angle and thus could not be crushed tight against the van. He received injuries on the chest, but was able to return to Toronto with the truck.

CHEVROLET

The Most Amazing Quality in Chevrolet History

QUALITY in design. Quality in construction. Quality in appearance. Quality in performance. Never before has any low-priced car possessed them to such an amazing degree—because no other low-priced car combines the progressiveness of Chevrolet and the diversified experience, the vast resources and the matchless facilities of General Motors.

Study today's Chevrolet. Mark well the aristocratic beauty of its lines—the superbly executed details of its Fisher-built bodies.

Then go for a ride. Revel in the thrilling spurt when you "step on the gas". Delight in the smooth operation—the swift sweep of the passing miles. Marvel at the way the car hugs the road, the ease with which it obeys the steering wheel, the promptness with which it responds to the brakes.

Here is quality expressed in terms that millions now can understand and enjoy. Here is quality obtainable at New, Lower Prices, which reflect the savings of tremendous production and which demonstrate the willingness to share these savings with the public. . . Here is a car of amazing quality . . . for everybody, everywhere. C-32ec
