Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician.

Ayer's — We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

When you tell your doctor about the bad taste in your mouth, loss of appetite for breakfast, and frequent headaches, and when he sees your coated tongue, he will say, "You are bilious." Ayer's Pills work well in such cases.

—Made by the J. C. Ayer Co., Lowell, Mass.—

Died.

CARSON—At the residence of his brother, Mr. Wm. Carson, east back line, Artemesia, on Thursday, January 30th, 1908, Robert Carson. Deceased was a son of the late Colwell Carson, and was unmarried. The funeral took place to Irwin's burial ground on Saturday.

BLACKBURN—Mr. George Blackburn, who eighteen years ago was a resident of Flesherton, died on Wednesday of last week at his late home near Nottawa, where he has been farming the past few years. The funeral took place at Nottawa on Friday, the deceased's pastor, Mr. Tough, conducting the service. The deceased, who in the past month celebrated his 50th birthday, was born at Laskey in the County of York. At seven years of age he came with his parents to Artemesia, where most of his life was spent. Fro a few years he lived in Osprey before moving to Nottawa. Twenty years ago he was married to Miss Frances Simmons, daughter of the late John Simmons of the 4th line, who with three sons and one daughter survive him. Messrs. John Blackburn, east back line, and Joseph, of this village, are brothers of the deceased. The former and Mr. W. R. Simmons, 4th line, a brother-in-law, attended the funeral.

HEALTH FOR WOMEN.

Mrs. Emma Daigle of Moncton, N. B., Sends an Open Letter to All Sufferers.

Most women are tired when they wake up. Housework drags along with great difficulty. Nervousness is always present, headaches seldom depart, tears are ever ready to flow.

But there is a cure, a true specific for women's ills that restored a prominent lady in Moncton, Mrs. Daigle, who tells the following experience:

"About a year ago I had a serious sickness, sort of a general breakdown. My digestion failed entirely and I was able to eat but very little. I took violent stomach pains and suffered terribly from headaches. My doctor said it was "nerve exhaustion" and I might never be well. My troubles increased, for as I grew weaker I became subject to neuralgia and rheumatism. Sleep finally forsook me and I almost lost heart. Different medicines didn't help. Doctors couldn't do me any good. I was desperate when I heard of Ferrozone. The first box convinced me it was just what I needed. It toned up my stomach, gave me splendid appetite and then my recovery seemed easier. Ferrozone increased my weight several pounds, has restored my nerves, given me a good color and strength such as I never had before. For the weak and sickly I can truthfully recommend Ferrozone." (Signed) Emma Daigle.

REMEMBER: No mere stimulant or alcoholic concoction can take the place of the nerve and blood nourishment contained in Ferrozone. This true tonic always does what is claimed for it. Sold everywhere in 50c. boxes or six for $2.50. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

Our attention has been called this early in the history of the new C. P. R. road, to the weary tale of accident. The construction train under command of engineer Gunning was taking water on Saturday morning at Allan Park. In a mysterious manner he lost cotrol of his steam, either by the jamming of the exhaust or blowing off the piston head. Hence there was no alternative but to let her run. She came up the road at a terrific pace until practically at our station yard when "her breath went out." The engineer, who was a hero to the heels, suffered terribly by the escape of steam and when found had his clothes frozen to his wounds. Meanwhile the fireman, who had been stranded at the water tank hustled to Durham where another engine and physician hurried to the rescue. Thus things might have been worse. There remains the fact that both men "showed up well" in the time of trial and are worthy of high praise.—Hanover Post.

Constable Carson has in his possession a walking stick that has connected with it perhaps the most unique history of anything of its kind in the country. The stick, which is made of black oak is part of the timbers of an old-time salt water ship, the "Beaver" which was wrecked in the unlucky thirteenth year of its existence in the Juan de Fuca straits, in the year 1836, after making a tempestuous voyage around the "Horn" from the old country. It was presented to Mr. Carson by his son, W. G. Carson, Chief of Police at Vancouver, B. C., and is in a perfect state of preservation, despite the fact that at least eighty five years have rolled by since it stood in its native element in the forest of—who knows were? Needless to say, with such a history, the old octogenarian is considered by Mr. Carson as one of his most priceless possessions.—Chronicle.

The most important case heard at the Arthur division court was an action brought by Hensy Switzer of Bond Head against Neil McLean of Conn, for a note of $150, made in March, 1903. A number of witnesses were called and examined on behalf of the plaintiff. Defendant went into the witness box and swore positively that he was not the maker of the note and that it was therefore a forgery. The case occupied the attention of the court until two o'clock. His Honor decided in favor of the plaintiff for the full amount of his claim with costs and stated that the defendent had committed wilful and corrupt perjury. Mr. Wilkins appeared for Switzer, and S. A. Clark, Mount Forest, for defendant.—Grand Valley Star.

I got a bottle of Coltsfoote Expectorant from my druggist and inside of two days the cough was stopped, and the results so permanent and rapid that we decided to keep it in our home continually.

Skin Disease of Twenty Years' standing Cured.

I want you to know how much Chamberlain's Salve has done for me. It has cured my face of a skin disease of almost twenty years' standing. I have been treated by several as smart physicians as we have in this country and they did me no good, but 2 boxes of this salve has cured me.—Mrs. Fannie Griffin, Troy, Ala. Chamberlain's Salve is for sale by W. E. Richardson.

A man dropped into one of the drug stores and asked for something to cure a headache. The druggist held a bottle of hartshorn to his nose, and he was nearly overpowered by its pungency. As soon as he recovered he began to rail and threatened to punch the druggist's head. "But didn't it help your headache?" asked the apothecary. "Help my headache!" gasped the man. "I haven't got any headache. It's my wife that's got the headache."
