EDITORIAL NOTES

A Markdale horse nibbed his nose on an auto and then scared when he saw another horse. Thus is natural history made.

Mosquitoes have made a record at some of the waternig places this year Thus are some people brought to the scratch.

* * *

In Great Britain they hope to have summer last till the end of this month but so great has been the rainfall and so constant the inclemency that the old world folks have been puzzled to know when summer would begin.

* * *

Dollar bills are to be made smaller in the United States. This decision of the authorities maybe have been reached the Seattle Times jalouses, because almost everybody needs a little money.

* * *

Our corn growers will have to exercise great defiance, or the destuctive borer will get them. The pest has devastated the Western Ontario peninsula for some years, and has this fall been found in numbers as far east as Halton county.

* * *

A selfish auto driver points out if pedestrians would walk in the fields there would be fewer accidents on the highways and the speed limit would not be interfered with. This sapient critic adds that children going to school are special nuisances.

The general secretary of the Neighborhood Work Association of Toronto told the Social Service Council the other day that Toronto life was "appalling dull." This remark is probably not meant to apply to the much favored, politically appointed municipal employees. It is shown for example, that in one of the schools in that city they have 16 high paid care-takers, drawing over $23,000 a year. The school also possesses a custodian, who has his assistants, receiving an additional $5,000. But with all this staff, they brought in more employees to clean the windows at a cost of $185 per cleaner! The ordinary worker in Toronto may have "appalling dull" life, but these high-toned city employees must have a hilarious time.

$5,000.00 CASH PRIZES

A FORTUNE — $2,000.00 FOR YOU!

THE MAIL AND EMPIRE

Offers this tremendous Fortune to any Man, Woman or Child. Find the Words Hidden in the Letters of the Word

"CONSTANTINOPLE"

IT'S EASY There is nothing hard to do. And there is Two Thousand Dollars to win. All you need is paper and pencil. It is easy to understand and play this game. Just sit down and see how many words you can make from the letters in the word Constantinople. You will find all sorts of words that can be made out of these letters. For example, cat is one, pie is one, pant is another, and ant, etc, etc. It is as easy as that. It is a game for the whole family. No expert knowledge is needed. All you have to do to win a fortune is to play the game according to the rules announced to-day. IT COSTS NOTHING TO TRY.

FIFTY Prizes will be given for the 50 best lists of words submitted. The answer having the largest and nearest correct list of words made out of the letters in the word Constantinople will be awarded first prize; second best, second prize, etc.

Observe These Easy Rules

(1) Any man, woman or child who lives in Canada and is not a resident of the City of Toronto and who is not in the employ of The Mail and Empire may submit an answer.

(2) Make as many words as possible from the letters in the word Constantinople. You may use the letters over and over again in different words, but each word must not contain a letter more times than it appears in the word Constantinople. For example, you may use the letter "a" just once in each word, the letter "e" just once in each word and the letter "t" twice in each word.

(3) Write your words plainly on one side of the paper and in alphabetical order, numbering them 1, 2, 3, etc. Write your full name and address on each page in the upper right-hand corner. If you desire to write anything else use a separate sheet.

(4) Do not use proper nouns, proper adjectives, prefixes, suffixes, abbreviations, contractions, foreign words, obsolete words, combined forms, Scot or dialectic words. Words spelled alike but with different meanings will be counted as one word. Words spelled differently but with the same meaning will be counted as separate words. Both the singular and the plural may be used, and both will be counted, provided both forms are listed in the dictionary

(5) The judges will use Webster's New International Dictionary, the latest edition, as authority, and the largest correct list of words made from the letters in Constantinople will be awarded first prize.

(6) One correct word will be deducted for each misspelled or incorrect word.

(7) In the event of a tie for any prize offered, the full amount of such prize will be awarded to each tied participant.

(8) Only one prize will be awarded to any one household or group of persons. Every list must represent your own effort, and must be prepared by the person submitting it. Lists submitted which cause the judges to believe that they have been compiled by one and the same person will be rejected.

(9) The largest correct list of words prepared according to these rules will win first prize. The next largest correct list will win second prize, and so on until 50 prizes have been awarded (subject to rule 6).

(10) A cash prize of $50.00 will be awarded the first prize winner if no subscriptions to The Mail and Empire are sent in. However, the first prize winner will receive $1,000.00 instead of $50.00, provided one new or renewal yearly subscription to The Mail and Empire is sent in. Better still, if TWO subscriptions to The Mail and Empire (either one new and one renewal, or both new, at $5.00 per year by mail, or $6.00 per year delivered by carrier in Hamilton or London) are sent in by the first prize winner he or she will be awarded $2,000.00 instead of $50.00.

(11) Renewal subscriptions will not be accepted that extend any subscription beyond January 1st, 1931.

(12) All answers will receive the same consideration, regardless of whether or not a subscription to The Mail and Empire is sent in.

(13) Three prominent Toronto citizens, having no connection with The Mail and Empire, will be selected to act as judges to decide the winners; and participants, by sending in their answers, agree to accept the decision of the judges as final and conclusive.

(14) Prize winners in former contests conducted by The Mail and Empire who have won $200.00 or more are not eligible to participate in this contest.

(15) Lists of words must be mailed and postmarked on or before midnight of Saturday, December 3rd, 1927.
