A heavy thunder storm passed over this section on Friday night last and a cold rainfall accompanied it. The only damage we have heard of was the levelling of telephone wires and putting out of business some of the local lines. The snow is slowly departing but sleighs are the only vehicles yet in sight and they are few and far between.

There is nothing crusty about Baker Ed. Thompson, neither is he a doughhead. Everything he stirs up pans out well. All he kneads is his, he has dough to burn and his stock is rising. He certainly takes the cake. He is a stirring chap and does things up brown. Though he is well bred, and somewhat of a high roller, he is not above mixing with his hands. Besides he is pie-ous and cheerfully ices his flavors for everybody. The baker is the original wise man of the yeast.

Tuesday afternoon of last week a bad accident on this line of railway was narrowly averted. A tender was left standing on the track north of the station while the engine was being turned at the turntable. Not being fastened it started off north down the grade of its own accord, and soon gained considerable speed. Markdale was telegraphed and the afternoon express from Owen Sound had just time to side-track at Markdale when the tender flew past. An engine was sent in pursuit and one of the employees by a quick act succeeded in attaching the engine to the tender and bringing it to a stop just north of the town without any damage having been done.

Mr. Will Rutledge of southern Alberta is visiting his parental home at the station and gave The Advance a chatty call one day last week. Will learned telegraphy at this station and four years ago took a job on the Crow's Nest branch of the C. P. R., but soon tired of the confinement and took up a homestead which he has since been holding down. One man in defining the homestead law said the government bet 160 acres of land against fourteen dollars that the homesteader could not live on the land for five years without starving to death. Well, Will expects to win the bet next fall, and does not look as though there was any immediate danger of starvation, althoug he says they have not had a crop of wheat in his section for three years past. He didn't save a grain last season off twelve acres which he had broken. Such secrets as these only leak out on very rare occasions, however. The people of the west do not talk about their failures, and toot their successes from Nome to Patagonia and San Francisco to San Francisco by way of Suez Canal. Will goes back to his bachelor ranch in a few days.

Ten Years on the Circuit.

On Sunday, March 29th, Rev. J. A. Matheson completed ten year's service in the congregations of Priceville and Swinton Park Presbyterian churches. In spite of bad roads there was a large congregation in both places. The text chosen was Psalm 48: 9—"We have thought of thy loving kindness, O God, in the midst of thy temple," and God's dealings with them during the last ten years were inquired into. As to the relations between pastor and people, they have always been of the kindliest nature.

Number of baptisms during the period, at Priceville, 110; at Swinton Park, 59; total 169. Members received at Swinton Park, by profession, 59; by certificate, 26; total, 85. Removed, by death, 14; total removals, 79. Number on roll in 1898 was 106; now 114. Members received at Priceville by profession, 130; by certificate, 38; total 168. Removed by death, 40; total removals, 129. Membership in 1898 was 144, now 183. Number of funerals at Priceville, 132; at Swinton Park, 46; total, 178. Number of marriages 63.

Moneys raised for all purposes at Priceville, $11,725.00; for missions, $2,105.00; at Swinton Park, for all purposes, $5,956.00; for missions $1,096.

At the close of the service Mr. Jas. Paton, on behalf of the congregation, presented Mr. Matheson with a highly appreciative address.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and tell you how wonderfully it has worked. —Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by W. E. Richardson.

Another Pioneer Gone.

In Euphrasia township, at the home of her son-in-law, Mr. Charles Hodgkinson, on March the 13th, Mrs Susan Broughton who was formerly Mrs. Thomas McCauly, passed peacefully away to the great beyond. She leaves to mourn the loss of a most kind and loving mother and grandmother, ten children: Mrs. Hick of Weyburn, Sask.; Mrs. Stephens, Collingwood; Mrs. Brown, Osprey; Thomas, in Waloole, Sask.; William, in Cass City, Mich.; Mrs McNulty, Proton; Andrew, Flesherton; Mrs. Hodgkinson, Euphrasia; Alfred, in Owen Sound; and sixty-one grand-children and forty-seven great-grand children. The service was conducted at the house by Rev. Mr. Cameron, who spoke with much sympathy to the friends and gave an excellent sermon. The remains were taken to Bethel cemetery, Proton township, and were laid to rest beside her first husband, Thomas McAuly, father of the children, who died thirty years ago. Service was also conducted at the church where a large number of friends and neighbors of whom the deceased lived amongst for many years and whose friendship she had gained by her kindness and uprightness, assembled to pay their last respects. She was much beloved by all who knew her and the friends have the sympathy of the community in this their hour of bereavement.

Tyson---Dobson

A pretty wedding was solemnized on March 25 at the home of Mr. John Dobson of the 14th con., Osprey, when his daughter, Alma, was united in marriage to Mr. Robert Nelson Tyson, son of Mr. John W. Tyson, by their pastor, Rev. A. P. Stanley of Maxwell. The bride wore roses prettily arranged in her hair, and was becomingly gowned in cream lustre, lace and ribbon trimmings, and was given away by her father and attended by Miss Edith Tyson, sister of the bridegroom, who also wore a gown of lustre daintily trimmed with lace The bridegroom was ably supported by Mr. Joshua Dobson, brother of the bride. The guests were the immediate relatives of both families and after the ceremony and congratulations a sumptuous wedding repast awaited them. As the young couple take up their abode on the 14th con., Osprey, their many friends wish them a long and happy life.
