BLOOD DISEASES

Guaranteed Cured or No Pay.

If you ever had any contracted or hereditary blood disease, you are never safe until the virus or poison has been removed from the system. You may have had some disease years ago, but now and then some symptom alarms you. Some poison still lurks in your system. Can you afford to run the risk of more serious symptoms appearing as the poison multiplies? Beware of mercury or mineral drugs used indiscriminately–they may ruin the system. Twenty years experience in the treatment of these diseases enables us to prescribe specific remedies that will positively cure all blood diseases of the worst character, leaving no bad effects on the system. Our **New Method Treatment** will purify and enrich the blood, heal up all ulcers, clear the skin, remove bone pains, fallen out hair will grow in, and swollen glands will return to a normal condition, and the patient will feel and look like a different person. All cases we accept for treatment are guaranteed a complete cure if instructions are followed.

Reader if in doubt as to your condition, you can consult us FREE OF CHARGE. Beware of incompetent doctors who have no reputation or reliability. Drs. K. & K. have been established over 20 years.

Some District News

Six lives were lost in a tenement house fire in Boston this week.

Wm. Winfrey, Midland, was sentenced to six months at hard labor in Barrie jail for abusing his wife.

Some person or persons have been breaking into the public school at Erindale and destroying property. The trustees are offering one hundred dollars reward for information that will lead to the conviction of the guilty parties.

Wm. Cowell, an orphan boy, one of Mr. Kelso's Canadian home proteges, who was adopted between two and three years ago by Mr. P. B. Hassett, Pike Lake road, Normanby, met with an accident that terminated in the lad's death. He was hitching Mr. Hassest's team to a stoneboat, when one of the horses kicked him in the abdomen, rendering him helpless. While no one saw the accident the boy was picked up immediately by Miss Hassett, who was near at hand, taken to the house and carefully nursed, but the doctor pronounced the injury received as altogether internal, in fact no signs of outward injury was visible, rupture of the bowels it was thought being the cause of death. The deceased was well liked and was a member of the Methodist Sunday school, his fellow-classmates attending the funeral and a floral offering lay on the casket from his teacher.

June 15th next, the date set for the opening for traffic of the new Toronto to Sudbury line of the C.P.R., will, it is expected, see the opening of two other sections of the road of lesser, though by no means of small importance. A line has been building between Linwood, on the Guelph and Goderich section, and Listowell, a distance of about fifteen miles, and will be in operation by or before June 15th Two important divisions of the C. P. R. are joined by this line, making a useful train connection for the people of those parts of Perth and Waterloo counties through which it passes. Progress has also been made in the building of the line from Proton, on the Owen Sound section, 39 miles, to Walkerton. This branch provides railway accomodation for a new part of Grey and Bruce counties. The stations on it will be Proton, Priceville, McWilliams, Durham, Allan Road, Hanover, Maple Hill and Walkerton. It will be open for traffic by the above date. On the part of the new Sudbury line from Bala to Sudbury, which is entirely new, there will be 22 stations opened.
