PROSPECTUS OF THE CANADA DIRECTORY,

To be got up on the same Plan as that Great Work Pigotts Directory of England.

THE SUBSCRIBER, who for the last ten Years has published the *Montreal Directory* and several valuable Statistical works, proposes to publish, by Subscription, so as to be ready for delivery in the Fall of 1851, or earlier if possible,

A DIRECTORY OF CANADA,

containing the names of Business and Professional Men in the principal Cities, Towns and Villages of Canada, (from Quebec west to Amherstburg,) 1st, alphabetically by Cities, Towns and Villages, and 2nd, alphabetically by Business and Professions in each, when the place is so large as to make the latter arrangement desirable.

A short description of each Town or Village will also be given, with its distance from the City with which it is most centrally connected, and the Steamboat or Stage fare usually charged to reach it, together with such other information relative to the place as may be useful or interesting to the Public.

The work will be got up in one large octavo volume, Printed well, upon good paper, and bound substantially, and will be delivered to Subscribers at 15s. per Copy, to non-Subscribers at 20s. per Copy.

As the expenses incurred in travelling and otherwise, to collect the information for the work, will be necessarily great, the following terms have been decided on—

For inserting the Name and Business in small type ..... No Charge
" in large type not exceeding two lines ..... 1s. 3d.
" not exceeding four lines ..... 2s. 6d.

But, as an inducement to subscribe for the work, it has been resolved, that every person ordering a Copy, will be entitled to have four lines inserted *without charge*; this cannot fail to be of great advantage to them, as a Very Large Subscription has been received in most parts of the Province, and many orders from Great Britain and the United States.

Advertisements will be inserted at the rate of 25s. per Page, when one Page or more is taken, and at the rate of 30s. per Page, when less than one Page is taken.

It would be almost superfluous to point out the many facilities which such a work will afford to Merchants in the Cities and Towns, for extending their business connections, and as care will be taken that Copies shall be placed in the Merchants' Exchanges and Reading Rooms of the principal Commercial Cities of Great Britain and the United States, it will be for them, the *most best channel of publicity* which has ever been offered in Canada.

The work is intended to appear in the Fall of 1851, or earlier, if possible, and as a guarantee that it will be faithfully carried out, it is, perhaps sufficient to say that the information will be collected by the Subscriber, personally, in the principal Cities and Towns, and that it will be printed and published by Messrs. Lovell & Gibson of Montreal.

Gentlemen desirous of subscribing to or advertising in the work, are respectfully requested to address, postpaid,

ROBERT W. S. MACKAY,
At Messrs. Lovell & Gibson's,
St. Nicholas Street.

☞ Subscriptions received at Messrs. Ramsay, Armour & Co's, and Mr. E. W. Palmer's Kingston.

Camphene Distillery for Sale.

FOR SALE a compact little Camphene Distillery, situated in a convenient location in the neighborhood of Kingston. It consists of a frame building, nearly new, paying a low ground rent, a Copper Rectifying Still and Worm, capable of running 35 gallons in 10 hours, and all the other necessary apparatus in good order for carrying on the business. As this is the only manufactory of Camphene in this neighborhood, there is always a steady demand at a good remunerating profit for all that it can make, so that this holds out an opportunity rarely to be met with, for an industrious man with a small capital to secure the means of independence. A knowledge of the business is easily acquired—only two or three lessons being requisite—which a purchaser can easily obtain for a trifle.
