Some District News

The Peat Products Co. of East Luther have started building operations for the manufacture of peat from the East Luther marsh, and expect to run through 2000 tons before the season ends.

The assessment of the village of Creemore is $200,450, and the population is 691. This is a decrease in assessment from last year of about $400, and an increase in population of 31.

The decision of the Walkerton Magistrate, by which Albert Miehlhausen, teacher at Otter Creek, was fined $1 and costs for punishing Orvill Steinmiller, was sustained by Judge Barrett, when the appeal was heard.

Mr. Geo. Dunbar, proprietor of the Arthur greenhouse, has purchased a floral business in Guelph, near the market square, for $2,700. He will continue his Arthur business till spring when he will either sell or close up.

Dr. Smith of Shelburne got judgment of $214, damages with costs against Dr. Steele of the same town for a breach of contract to sell his practice in a case tried at the sessions in Orangeville, and reported a couple of weeks ago.

Wingham has a religious sect peculiar to itself, composed of about twenty-five people who seceded from the Methodist church there. Their meetings are held in a hall over a blacksmith shop. Here vigorous discourses are held in an unknown tongue, which the members themselves say they do not understand. They call themselves the "Holy Howlers."

Now that the birds are returning from warmer climes to this northern country it may be quite in order to remind the general public, and especially people new to this country, of our bird laws. It is not lawful to shoot or destroy any wild birds, except crows, hawks, blackbirds and English sparrows, or to destroy nest, young or eggs. The penalty is $1 to $20 and costs. Any person may seize on view any bird unlawfully possessed and carry same before any justice of the peace, to be by him confiscated and, if alive, released. If the small-boy with the air gun will confine his attentions to the blackbirds and sparrows he will be doing a genuine service to the country.

Ayer's — We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

Ayer's Pills are liver pills. They act directly on the liver, make more bile secreted. This is why they are so valuable in constipation, biliousness, dyspepsia, sick-headache. Ask your doctor if he knows a better laxative pill.

—Made by the J. C. Ayer Co., Lowell, Mass.—

Mr. James Robinson, who has resided in the township of Nottawasaga for upwards of 60 years, and is probably the oldest settler in this district, died suddenly at his home on the 4th line a week ago. He was over 100 years of age but helped his wife in the work around the house. On the morning of his death he arose as usual to lay the fire, but before lighting, fell across the stove. Mrs Robinson was unable to help him and went for assistance to the neighbors. When she returned with them he was dead, from heart failure which was not surprising at his advanced age. Many attended the funeral, which took place to the 4th line cemetery.—Stayner Sun.

Exceedingly attractive is the May number of "Rod and Gun and Motor Sports in Canada." Stories of hunting moose, mountain goat, bear, deer and ducks surely offer enough variety to the hunter, while to the fisherman the papers on salmon in Ontario rivers and maskinonge fishing must call up memories and awaken thoughts such as only the fisherman can know. Amongst the many other intersting pieces to be found within this number is a page of "Canoe Don'ts"—most appropriate as the canoeing season of the year is just beginning, and an account of a one-legged trapper who makes his own wooden legs. These are but samples of the many good things in this number which forms in itself a demonstration of the wide field of interesting experiences to be found within the Dominion.
