CURLING AT MONTREAL.—*Caledonia vs. Thistle*—The annual match of five rinks between the Caledonia and Thistle Curling Clubs was finished yesterday, with the following result:—

Caledonia.		*Thistle.*	
Boyd	31	Rae	23
M'Gibbon	31	Mc'Dougall	30
Penny	25	Mair	31
Fleck	30	Allen. E.	31
M'Nevin	31	Kingan	28
	148		143
	143		
	5 in favor of Caledonians.		

The above shows close playing. The game throughout was contested with much spirit by both Clubs,—each party determined to uphold the credit of their own Club. The Caledonians, however, though much the weakest club 'in numbers' have for two successive seasons been able to retain the Championship of the Ice.—Pilot.

THE ST. LAWRENCE ROUTE.—All that is now wanting to render the St. Lawrence route superior to all its competitors is a good winter harbor, available for steamers at all periods of the year. Such a harbor, it is believed, can be formed at Bic, which many of our readers will remember at the pilot station, 170 miles below Quebec, and we understand that enquiries are being made to ascertain the feasibility of the proposal. In a late number of the Quebec Chronicle we find a letter from a resident at Riviere du Loup, stating that that port is entirely free from ice at this moment, and asserting that any vessel can reach there with the utmost safety by the 15th March every year.

By Royal proclamation in the Gazette Coburg is separated from the united Counties of Northumberland and Durham.

THE GRAND TRUNK ROAD COMING TO BOSTON.—The Boston Atlas and Bee of Tuesday last says: 'It is understood upon what seems to be good authority, that the negotiations for extending the Grand Trunk road to East Boston, by laying an extra rail over the road bed of the Eastern road, have so far advanced as to render the matter a certainty. The contracts will be drawn up at an early day. We have no doubt that it will be for the interest of the road to extend it to the capital of Massachusetts and the metropolis of New England; and we have never had a doubt that it would be done some day.'

THE FIRST CLEARANCE AT TORONTO.—The Marco Polo, belonging to Messrs. Gooderham & Worts, cleared on Tuesday for Genesee with 8,000 bushels of wheat. Three other vessels, belonging to the same firm are loading at their wharf.

PROGRESS OF THE GOOD TEMPLARS NEW LODGES AND LECTURES.—As the Globe says of its political game, 'the ball rolls.' The Good Templars in the Temperance movement are carrying all before them. On Monday evening 'the Sheriff' added another Temple in Pittsburgh to the noble, chivalrous and benevolent Order of which he is the worthy and indefatigable Chief. Accompanied by the worthy Chief of Kingston Victoria Lodge, Mr. William Rudston, and a few of the Brothers, he attacked intemperance in the Village of Barriefield, hitherto one of its strongholds, and erected a Temperance fortification in its midst, in the shape of a Good Templars Lodge, manned by thirty or forty earnest men, who we feel assured will soon make the Good Templars mark upon the place. On Wednesday evening the Sheriff, accompanied by Mr. Rudston, and his zealous staff, were again pitted to Pittsburgh to organize another Lodge in the neighborhood of McLean's School House. On this occasion Mr. Robert McLean was called to the chair, and, as at the meeting in Barriefield on Monday, they met with the most encouraging success, and organized a strong Lodge, including among its members many of the most respectable persons in the neighborhood. Mr. Thomas Flynn made a more than usually eloquent and happy address on this occasion. The Sheriff, Mr. McVicar, Mr. Millener and Mr. Rudston, also addressed the meeting. It is now quite evident that we are about to witness in the Temperance movement one of those wonderful convulsions of the public mind by which mankind, propelled apparently by an unseen and mysterious influence, so nettimes cast off evil influences and vindicate their better nature before God and the world.—[Herald & Advertiser.

As one of the last proceedings connected with the fate of Sir John Franklin, we observe that his devoted widow has presented to each of the crew of the Fox, a handsome silver watch and chain, with the following inscription:—'Presented to (A. B.) by Lady Franklin, as a memorial of his services on board the Fox, in the Arctic Seas, 1859.'

Dr. Hayes stated that he never saw but one of the Esquimaux with a beard; the exception to the general rule was an old man, with hairs upon his upper lip and chin, which were silvered with age. The faces of all others of the tribe were as innocent of hair as a woman's. The beards of Dr. Kane's party excited great curiosity and admiration among the natives of the Arctic regions.

The greatest preservative of beauty known to modern science, is Professor Wood's Hair Restorative and Cosmetic. Among the most important features of female beauty, are a luxuriant head of hair and a fine complexion; both of which should be guarded as sacred treasures, for either may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. We seldom undertake, editorially, to endorse what are called 'Hair Restoratives,' as knowing full well that the great majority of such preparations are entirely worthless. Exceptions there are, nevertheless, and among these we have never hesitated to express our conviction that the article known as 'Wood's Hair Restorative' is entitled to a proud preeminence. This article has told its own story in numberless instances of premature gray and bald heads, and the certificates in regard to its amazing efficacy have been alike numerous, unsolicited, and emphatic. When Senators of the United States and others (of the highest standing socially and politically) openly declare that 'Wood's Hair Restorative' is all, and more than all, it pretends to be, we cannot be otherwise than believe them. The article can be had at all our Druggists. See Notice elsewhere. Rahway Republican.

AUCTION SALE BY JACKSON

OF VERY ELIGIBLY SITUATED

REAL ESTATE,

TWO MILES EAST OF KINGSTON,

On the Banks of the St. Lawrence,

WITH A FULL VIEW OF THE

Thousand Islands and Lake Ontario.

ON WEDNESDAY, the 2nd day of MAY proximo, will positively be sold without any reserve, at JACKSON'S SALE ROOMS, King Street, Kingston,

A FARM OF 100 ACRES OF LAND, in the Township of Pittsburgh, situated between the residences of F. R. Lucas and William Ferguson, Esqs.

It is frequently said that good neighbors are one half the comforts of life. Such being the fact, there is a strong incentive to purchase and build on the delightfully situated land now offered. Irrespective of other valuable considerations, it is as a building site for a gentleman's residence not surpassed on this Continent.

The land offered consists of One Hundred Acres, being the easterly half of Lot letter A, Township of Pittsburgh, on the banks of the St. Lawrence in front, and intersected by the Kingston and Gananoque Macadamized Road—thus affording immediate and convenient access to the city either by water or an excellent road.

There is on the land an almost inexhaustible supply of the choicest limestone, suitable for building purposes, which can be conveniently shipped to any port east or west, constituting it very valuable in this respect as a speculation.

It is beautifully wooded with young oak and evergreens from twenty to forty feet in height. An ice-house, except for dairy purposes, would be quite unnecessary, as the never-failing springs of pure cold water throughout the grounds cannot be excelled.

The description thus imperfectly given is only intended for the information of non-residents, as it would be paying a poor compliment to the good taste and judgment of the inhabitants of Kingston and surrounding country, to expatiate on the unsurpassed beauty, and the delightfully healthy position of the property alluded to. A gentleman desirous of either Woodcock, Snipe, Deer, or Pidgeon shooting, could, in their respective seasons, be here in the immediate proximity of the one, and within a few hours walk of the other; or, if disposed for Fishing, the St. Lawrence, which washes the front of the land, would yield him an unfailing supply of Salmon, Trout, Black Bass, and other Fish.

To the owner of such a locality, a trip to a watering place would be quite unnecessary. Notwithstanding, the place must be sold without any reserve, on the day named, as he owner is desirous of realizing whatever it will bring.

The terms of payment will be made easy.

Sale at the subscriber's office ON WEDNESDAY, 2d MAY NEXT, at 1 o'clock punctually.

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of

MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST

WHERE THE

PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor: all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine. If timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

WORTHY OF UNIVERSAL CONFIDENCE AND PATRONAGE!!

For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world, testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press, are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.

47 Wall Street,
New York, Dec. 20th, 1858.

GENTLEMEN: Your note of the 15th inst. has been received, saying that you had heard that I had been benefitted by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by
