HOLLOWAY'S PILLS.—Dyspepsia, which is considered by physicians one of the most difficult of all diseases to deal with, invariably succumbs to this supreme regulator of the internal organs. The effect of the Pills upon the membrane which lines the alimentary canal, appears to be wonderfully soothing and healing, while at the same time they gently stimulate the stomach and the liver. This we suppose to be the modus operandi in cases of dyspepsia and diarrhœa; but, whatever the process, there can be no doubt as to the rapidity, invariability, and completeness of the cure. The Pills have been administered in this neighborhood in cases of summer complaint and general weakness and debility, with the happiest result. They are a perfectly safe medicine for children. 69

KENNEDY'S MEDICAL DISCOVERY.—Scarcely a day passes that we do not hear of some wonderful cure performed by this popular medicine; and while we have been writing this short notice, a gentleman, Mr. J. L. Clarke, residing at No. 22 Lowell street, Boston, has looked in upon us, and finding that we were penning an article in regard to the Discovery, stated that, within a year, he had been cured of a very severe case of Scrofula, that broke out in large bunches upon his neck, and that too by using two bottles. There is not a humor that exists in the world, no matter how long it has existed, but this medicine will cure it speedily. Knowing then its value, it is the height of folly in the afflicted to delay obtaining it.

The greatest preservative of beauty known to modern science, is Professor Wood's Hair Restorative and Cosmetic. Among the most important features of female beauty, are a luxuriant head of hair and a fine complexion; both of which should be guarded as sacred treasures, for either may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. We seldom undertake, editorially, to endorse what are called 'Hair Restoratives,' as knowing full well that the great majority of such preparations are entirely worthless. Exceptions there are, nevertheless, and among these we have never hesitated to express our conviction that the article known as 'Wood's Hair Restorative' is entitled to a proud pre-eminence. This article has told its own story in numberless instances of prematurely gray and bald heads, and the certificates in regard to its amazing efficacy have been alike numerous, unsolicited, and emphatic. When Senators of the United States and others (of the highest standing socially and politically) openly declare that 'Wood's Hair Restorative' is all, and more than all, it pretends to be, we cannot do otherwise than believe them. The article can be had at all our Druggists. See notice elsewhere. Rahway Republican.

Sold by all Druggists. 57

AUCTION SALE BY JACKSON.
OF VERY DESIRABLE SITUATED
REAL ESTATE,
TWO MILES EAST OF KINGSTON,
On the Banks of the St. Lawrence,
WITH A FULL VIEW OF THE
Thousand Islands and Lake Ontario.

ON WEDNESDAY, the 2nd day of MAY proximo, will positively be sold without any reserve, at JACKSON'S SALE ROOMS, King Street, Kingston,

A FARM OF 100 ACRES OF LAND, in the Township of Pittsburgh, situated between the residences of F. R. Lucas and William Ferguson, Esqs.

It is frequently said that good neighbors are one half the comforts of life. Such being the fact, there is a strong incentive to purchase and build on the delightfully situated land now offered. Irrespective of other valuable considerations, it is as a building site for a gentleman's residence not surpassed on this Continent.

The land offered consists of One Hundred Acres, being the easterly half of Lot letter A, Township of Pittsburgh, on the banks of the St. Lawrence in front, and intersected by the Kingston and Gananoque Macadamized Road—thus affording immediate and convenient access to the city either by water or an excellent road.

There is on the land an almost inexhaustible supply of the choicest limestone, suitable for building purposes, which can be conveniently shipped to any port east or west, constituting it very valuable in this respect as a speculation.

It is beautifully wooded with young oak and evergreens from twenty to forty feet in height. An ice-house, except for dairy purposes, would be quite unnecessary, as the never-failing springs of pure cold water throughout the grounds cannot be excelled.

The description thus imperfectly given is only intended for the information of non-residents, as it would be paying a poor compliment to the good taste and judgment of the inhabitants of Kingston and surrounding country, to expatiate on the unsurpassed beauty, and the delightfully healthy position of the property alluded to. A gentleman desirous of either Woodcock, Snipe, Deer, or Pidgeon shooting, could, in their respective seasons, be here in the immediate proximity of the one, and within a few hours walk of the other; or, if disposed for Fishing, the St. Lawrence, which washes the front of the land, would yield him an unfailing supply of Salmon, Trout, Black Bass, and other Fish.

To the owner of such a locality, a trip to a watering place would be quite unnecessary. Notwithstanding, the place must be sold without any reserve, on the day named, as the owner is desirous of realizing whatever it will bring.

The terms of payment will be made easy.

Sale at the subscriber's office ON WEDNESDAY, 2d MAY NEXT, at 1 o'clock punctually.

MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.
