The Dominion Day sports committee have issued their list of events on a dodger for general circulation. It includes a great list of sports and will no doubt attact a record gathering if the weather is kind. Horse racing and trades procession are the two big affairs, but their will be plenty of minor sports. Get a dodger and prepare to take part in what is expected to be the biggest day's fun ever enjoyed in Flesherton—and we have had some pretty fair demonstrations in past years.

Make a Merry Widow Hat at Home. Take one bicyle wheel. Superimpose on the hub one deep granite saucepan, first snipping off the handle with and axe. Stitch on cover of wine-colored velvet from your season-before-last's coat suit. Put on a threeinch binding, around brim, of canary-colored taffeta silk from your great-grand mother's party dress. Rip nineteen yards of box ruching off your shirt waist box, and wind about crown. A soup ladle and a joint fork will give a jaunty effect if used as hat pins.

Mr. Charles Stafford last week got 2000 feet of gas pipe for an irrigation scheme. He purposes pumping water with his windmill from a pond about five acres in extent, to the higher places on his farm, and by means of the 2000 feet of piping and 500 fee of rubber hose, to thoroughly irrigate his farm during the dry months. He tried the system on a smaller scale last year and it worked out to the best of advantage. After pumping the pond dry he will use his well and utilize the mud from the pond as fertilizer.

A telegraphic despatch was received by relatives here on Friday from Washington state announcing the death of Mrs. Wm. G. Duncan. The deceased lady had been in poor health for a year or more. She was a sister of Mrs. John Warling of Vandeleur and Mr. Sangster Hemphill, Ceylon. The deceased lady was 52 years of age. She removed to Washington with her husband in 1884. She was a consistent member of the Methodist church from young womanhood. Mrs. Duncan leaves to mourn her loss a husband and eight children—three boys and five girls, of whom three are married. The youngest child is 9 years of age.

Three Drowned at Walkerton.

Gertie and Betha Obrecht, sisters, aged nineteen and twenty-one, and a yound man named Clark, were drowned at Walkerton, Saturday night while boating on the Saugeen, the boat in which they were having been carried over the dam. At the close of a baseball match on Saturday night the young ladies went out boating on the river, accompanied by two young men, Messrs. Clark and Smith. The latter, the only survivor of the accident, says that they remained on the water until about 9 o'clock, and heedlessly let the boat drop down towards the dam. By this time it was too dark to notice their position. Smith is yet too dazed to give a clear account of how it happened, but it seems that the boat upset at the dam and sank. It was a metal boat, and immediately disappeared. All the occupants went over the dam, and the two girls and Clark were drowned. None of them could swim. Smith was able to swim, and managed to reach the shore.

There is general sympathy with the friends of the victims. The two young sisters who lost their lives were stenographers in offices in town, and personally held in high esteem. They were both handsome, clever girls. The event was feelingly referred to in all the churches Sunday.

WHAT THE KIDNEYS DO

What Booths Kidney Pills are Doing For Flesherton People

All the blood in the body passes through the kidneys every three minutes.

The kidneys filter the blood.

They work night and day to daily remove about 600 grains of impure matter. If they fail, some part of this impure matter is left in the blood, bringing on pain in the back, headache, dizziness, irregular heart, hot, dry skin, rheumatism, gravel, dropsy, deposits in the urine. Hundreds of Grey county residents have found this out.

Mrs. George Beck of Alice st., Flesherton, Ont., says: "For a number of years I had suffered with occasional attacks of kidney trouble that would leave me in the most miserable condition for days. If I would in any way contract a slight cold it would bring on severe pains in the kidney region. The kidney secretions would become frequent, which caused me much suffering and annoyance. There was a weakness in my back which unabled me to get up from a chair without supporting myself with both hands. Although I had tried numerous remedies there was little relief in any of them. Booth's Kidney Pills were advertised at Mr Richardson's drug store and procuring a box, I commenced treatment. They quickly relieved me, the kidney secretions were reduced to normal, the pains left my back, which gradually strengthened. I feel better generally than in years previous and can only thank Booth's Kidney Pills for my speedy cure." Sold by dealers. Price 50c. The R.T. Booth Co., Ltd., Fort Erie, sole Canadian ag'ts. 1

THOMAS SCOTT, Clerk.

Miss Margaret Henning met with an accident on Friday morning that she will not soon forget. While attending her usual duties of dusting and cleaning in the Molsons Bank, she accidently brushed a revolver off the ledge in the teller's cage, which discharged and shot her in the leg, breaking it above the ankle. Her cries soon attracted the manager, Mr. D. A. Ferguson, who summoned medical assistance as soon as possible. After her injuries were carefully dressed she was conveyed to the Collingwood hospital, where she is progressing favorably. It will be a month or six weeks before the patient will be around again.

House & Garden Plants.

Are here in abundance, strong healthy plants. The house plants and flowers such as Stocks, Asters, Geraniums, Petunias, Ivy Geraniums, Ferns, are the choicest, Also Hanging baskets, Dahlia bulbs. In garden plants we have Celery, Tomatoes, Cabbage, Cauliflowers.

Our Ice Cream Parlor is again the favorite resort of young and old. Ice cream all the time and the same old rich quality that has charactised it in the past.
