THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Buxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two battles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, Mass.
DEAR MADAM.—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and smart of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.
Price $1.00 per bottle. For sale by every Druggist in the British Provinces.

MOTHERS
Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

For this reason it commends itself as the only reliable preparation now known for Cutting Teeth, Diarrhœa, Dysentery, Griping in the Bowels, Acidity of the Stomach, Wind, Colic in the Head, and Cholic, also, for allaying all pain, reducing inflammation, regulating the Bowels and relieving pain in any part. Being an entirely vegetable preparation, we can safely recommend its use in all cases of Convulsions or any other Pain. As you value the life and health of your children, and wish to save them from those painful and blighting complaints which are certain to result from the use of narcotics or any other remedies for infantile Complaints are composed, take none but Dr. Eaton's Infantile Cordial, this you can rely upon. MRS. WINSLOW
An experienced Nurse and Female Physician presents to the attention of mothers, her
SOOTHING SYRUP!
FOR CHILDREN TEETHING,
which greatly facilitates the process of teething, softening the gums, reducing all inflammation, will allay all pain and spasmodic action, and will cure wind and regulate the bowels.
Depend upon it mothers, it will give rest to your selves and relief and health to your infants.
We have put up and sold this article for over five years and have never heard a single mother or nurse speak of the results but in terms of the highest commendation. In all cases it has given immediate relief. We have never known it to fail in a single instance to effect a cure when used according to directions. We have never met with a physician or nurse who has ever expressed an opinion not in perfect accordance with the above. We have never known an instance in which it did not give immediate relief. We have never known a child to suffer in the slightest degree after the syrup was administered.
This valuable preparation is the prescription of one of the oldest and best female physicians in New England, and has been used with never failing success in thousands of cases.
It not only relieves the child from pain, but invigorates the stomach and bowels, corrects all acidity, and gives tone and energy to the whole system. It will almost instantly relieve
GRIPING IN THE BOWELS AND WIND,
and overcome convulsions, which if not speedily relieved end in death. We believe it is the best and surest remedy in the world in all cases of DYSENTERY and DIARRHŒA in children, whether it arises from teething or from any other cause.
We would say to every mother who has a child suffering from any of the painful diseases incident to children, that the prejudice of one year against nothing should be allowed to prevent the use of this invaluable medicine. All we ask is a fair trial to prove its value. Full directions accompany each bottle. The signature of CURTIS & PERKINS is on the outside wrapper.
Sold by Druggists throughout the world.
