It was a Costly "Jag."

It cost nearly fifteen dollars to settle up with Police Magistrate McGregor, but it was all chargeable to the "jag."—Dundalk Herald.

Three Barns Burned in Six Years

Wm. Millsap, on the townline east of Avening, had his barn struck by lightning and burned to the ground in the electric storm last week. He managed to get his horses out, but lost a lot of his implements. Mr. Millsap has been particularly unfortunate in the matter of fires, as this is the third time he has had his barn destroyed in about six years. Insured for about half value.

Mr. Chas. Stafford's new pump for his irrigation scheme arrived this week and attracted considerable attention.

A 13-year-old son of Richard Adams of Baxter met death under sad circumstances on Saturday. The boy was engaged in operating a land roller when the horses became frightened and got beyond the lad's control. He appears to have attempted to regain control of the team, as his father heard him calling for help, but was thrown under the roller, which passed over him, killing him instantly. Upon hearing his son's call for help his father hurried to the scene and was horrified to find his son quite dead.—Alliston Herald.
