in a Low Priced Car

THE most recent trend of automobile design is strikingly exemplified in the "Bigger and Better" Chevrolet. The high, narrow radiator . . . the long, low bodies . . . the unbroken sweep of the lines from front to rear . . . the stylish blending of colors in finish and upholstery . . . these distinguish Chevrolet as unmistakably new and fashionable. In power, in speed and snap, the "Bigger and Better" Chevrolet is no less modern and vigorous. Countless refinements in engine and chassis give Chevrolet a performance as dependable as it is brilliant.
The "Bigger and Better" Chevrolet, alone among low-priced cars, has truly caught the modern spirit.

The G.M.A.C. . . . General Motors' own deferred payment plan affords the most convenient and economical way of buying your Chevrolet on time.

Lightning Burned Barn on S. Line

A large bank barn on the South Line, Artemesia, owned by Mr. Arthur McKay, was struck by lightning in the McKay, was struck by lightning during the thunder storm on Tuesday morning and was burned to the ground. Fire broke out about 8 a.m. and in a very few moments the barn was a seathing furnace of fire. Mr. McKay at once went to release stock in the burning building and all were saved. Help was summoned through a neighbor's phone but nothing could be done to save th building and attention was payed to other buildings close by. The contents of the upper part of the barn, including a large amoutn of hay, straw, grain, etc. were a total loss, along with a binder and a total loss, along with a binder and half ton of fertilizer. W. E. Myers of Kimberley, who underwrote the policy, informs us that Mr. McKay caried insurance to the amount of $2.600 on barn and contents.

The barn was a large one 44x65 and was built about 40 years ago when the late Wm. Paton purchased the place. Mr. McKay has only been in possession of the farm for about two years.

COUGARS WON AGAIN FROM MARKDALE RED MEN

The week before last we thought we saw the last game of hockey this season, but no; Markdale came down once more and challenged the Cougars on Thursday night, and, as usual, were defeated, by the score 6-2. The Markdale Red Men never seem to get down hearted, as they have played 7 games here this winter and the closest they came to winning was a tie, 2-2 Yes, it's nice to win, and while one wins the other one has to loose, and althought the Red Men came out behind the whole winter through they showed clean sportmanship, and we again thank the Red Men for their help in making hockey one of the best years in Flesherton for some time.
