During the conflagration of Canton caused by the bombardment of the British, the extensive medical warehouse of our countryman, Dr. J. C. Ayer of Lowell, (the depot of his Cherry Pectoral and Cathartic Pills, for China,) was totally destroyed. He now makes a demand upon our government for indemnity from the loss of his property, and hence will grow another nut to crack with our elder brother Johnny. Stick to it Doctor; and if our Government maintains our rights wherever your Pills are sold, we shall only be unprotected on tracts that are very barren.—[Reformer, Trenton, N. J.

THOUGHTS FOR REFLECTION.—As we take up the newspaper of a morning, and turning our eyes to that portion of it that records the deaths, we read one has died of Erysipelas, another of Scrofula, and a third from the effects of a Canker, and those all in the prime of life, we cannot but think that, in many of these instances, their names would not have appeared there before old age had called them to their rest, if their friends had administered proper remedies. In view of this subject permit us to suggest that 'Kennedy's Medical Discovery' has become justly celebrated for the cures of the above diseases, and all of a similar nature. We, therefore, cordially recommend it to those whose blood is now flowing corrupt through their veins.

AUCTION SALE BY JACKSON,
OF VERY ELIGIBLY SITUATED
REAL ESTATE.
TWO MILES EAST OF KINGSTON,
On the Banks of the St. Lawrence,
WITH A FULL VIEW OF THE
Thousand Islands and Lake Ontario.

ON WEDNESDAY, the 2nd day of MAY proximo, will positively be sold without any reserve, at JACKSON'S SALE ROOMS, King Street, Kingston,

A FARM OF 100 ACRES OF LAND, in the Township of Pittsburgh, situated between the residences of F. R. Lucas and William Ferguson, Esqs.

It is frequently said that good neighbors are one half the comforts of life. Such being the fact, there is a strong incentive to purchase and build on the delightfully situated land now offered. Irrespective of other valuable considerations, it is as a building site for a gentleman's residence not surpassed on this Continent.

The land offered consists of One Hundred Acres, being the easterly half of Lot letter A, Township of Pittsburgh, on the banks of the St. Lawrence in front, and intersected by the Kingston and Gananoque Macadamized Road—thus affording immediate and convenient access to the city either by water or an excellent road.

There is on the land an almost inexhaustible supply of the choicest limestone, suitable for building purposes, which can be conveniently shipped to any port east or west, constituting it very valuable in this respect as a speculation.

It is beautifully wooded with young oak and evergreens from twenty to forty feet in height. An Ice-house, except for dairy purposes, would be quite unnecessary, as the never-failing springs of pure cold water throughout the grounds cannot be excelled.

The description thus imperfectly given is only intended for the information of non-residents, as it would be paying a poor compliment to the good taste and judgment of the inhabitants of Kingston and surrounding country, to expatiate on the unsurpassed beauty, and the delightfully healthy position of the property alluded to. A gentleman desirous of either Woodcock, Snipe, Deer, or Pidgeon shooting, could, in their respective seasons, be here in the immediate proximity of the one, and within a few hours walk of the other; or, if disposed for Fishing, the St. Lawrence, which washes the front of the land, would yield him an unfailing supply of Salmon, Trout, Black Bass, and other Fish.

To the owner of such a locality, a trip to a watering place would be quite unnecessary. Notwithstanding, the place must be sold without any reserve, on the day named, as he owner is desirous of realizing whatever it will bring.

The terms of payment will be made easy.

Sale at the subscriber's office ON WEDNESDAY, 2d MAY NEXT, at 1 o'clock punctually.

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of
MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away; and

PAIN CANNOT EXIST
WHERE THIS
PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. JOHN MONTGOMERY

HAS received the Queen's Letters Patent for his ANTI-COMBUSTIBLE SOLUTION, or Mixture for the Preservation of Life and Property, by making Houses Fireproof outside and inside, and preventing fire from spreading from one house to another. A small quantity will extinguish fire almost immediately. It is also strongly recommended for Shipping, as it will extinguish tar or any other inflammable substance.

John Montgomery & Son wish to have a good and respectable Partner, who could advance £100 for the fitting up of the factory. He will be intitled to one-third of the profits arising from the Patent Right for any number of years that may be agreed upon by the parties. The money will not all be required down now, but as the factory progresses. It will be a profitable investment for so small a sum.

John Montgomery will sell his Patent-right to Towns, Municipalities and Counties; as it is particularly adapted for Farmers' Barns and Outhouses, which, when saturated with this solution, no fire can touch them.
