A Good Time at Priceville

The event of the year for the Priceville Methodists transpired on Thursday evening last when the annual garden party was held; and it goes on record as an unqualified success. The weather was delightful, and the gathering large and good natured. The proceeds of the evening amounted to about $00.00.

Tea was served on the parsonage lawn in the early eveving. Suffice to say that the cooking was of the usual excellence and abundance.

After tea a goodly number repaired to the school grounds where a football match between Swinton Park and Pomona teams was keenly contested. No score was made by either team. The hay on the field was long and almost ready to cut, so it interfered considerably with the playing. The best of good spirit was manifest at all stages of the game, save once when two rival players talked as though they were going to try the Kilkenny cat act. The referee gave them several minutes on the fence.

After the football match the crowd filled the church and enjoyed the splendid program which had been prepared. The Durham Methodist choir was there, about twenty strong, and pleased the audience immensely with their selections The work of the choir was varied, as well as excellent, including a male quartette, solos and choruses. Rev. J. R. Wilkinson gave a reading and was forced to respond to an encore.

The event of the evening was the lecture on "Love, Courtship and Marriage" by Rev. Dr. Caldwell of Flesherton. This is a particularly pleasing subject, and was doubtless responsible for the presence of so many young couples. The subject was well handled and the lecture bristled with good advice, good humor and timely warnings, Just what effect the lecture will have with the young life of the community remains to be seen.

Rev. J. A. Matheson, Priceville, being called on for a speech, rose, excused himself owing to the lateness of the hour, expressed his pleasure at being present, and took his seat.

Rev. Mr Berry, the pastor, was in the chair.

Over Thirty-five Years

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by W. E. Richardson.

An Englishman named Park and his wife left Alliston on Thursday last with a livery rig they had hired to drive to Rosemont. Mr. McGarvey, the owner of the horse, found out they had started for Shelburne and wired here to have the parties arrested on arrival. Constable Thompson arrested the man and put him in the lockup. Mr. McGarvey arrived on Friday morning and it cost the Englishman $13.25 to settle for abusing the horse—Shelburne Free Press.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him $100,000.

In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Islann, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoee Remedy, which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill.

Frederik Large was arrested at Grace hospital, Toronto. Horse stealing is the charge against him, and he will be taken to Port Perry to answer it. It is said that Large stole a horse and buggy from Port Perry and driving to Markham sold it, and came to Toronto later. Large is the man who was badly beaten after being gagged and tied up with a stolen halter by two men in Port Perry the other day. He was rolled behind a barn after his mouth had been tied up with a handkerchief and his legs firmly pinioned. After lying there awhile he rolled himself out near the sidewalk and managed to attract the attention of some passerby.

The new ter-centennary postage stamps will be on sale at this office this week. The stamps are said to be beautifully designed, the portraits and historic scenes being true and perfect. The values, colors and descriptions of the various stamps of the issue are given out to be: Half-cent, grey, picture of Prince and Princess of Wales; one cent, green, portraits of Champlain and Cartier; two cent, red, King Edward and Queen Alexandra; five cent, blue, representation of l'habitation de Quebec; seven cent, yellow, pictures of Montcalm and Wolfe; ten cent, mauve, picture of Quebec in 1700; 15 cent, picture of the Parliament of the West of the old regime; 20 cent, green, picture of a coureur du bois with Indians. The stamps are all larger than the ordinary issue to allow room for the double heads and the fine historic pictures given on the stamps of larger denomination.

Rev. L. W. Thom, who for a year and a half has been pastor of Waldemar and The Maples Presbyterian churches, was pleasantly surprised on Friday evening, June 26th, when his people presented him with an address. It referred to his ministrations in the various departments of church work, and of the acceptance with which his messages were always received. Mrs. Thom's arduous and valuable services, as leader of the choir, in the Sabbath School, were not forgotten. Accompanying the address, which was signed by W. M. Gamble and S. H. Thompson was a purse and a suit case. Mr. Thom made a suitable and feeling reply, after which a social hour was passed. Mr. Thom leaves this week for Stratford, where he has been appointed Superintendent of Neglected Children, and for which duties he has special qualifications. Here he did a good work, laboring zealously for the promotion of every good cause, and carries with him the respect of those he met.—Grand Valley Star.
