AUCTION SALE BY JACKSON,
OF VERY ELIGIBLE
REAL ESTATE.
TWO MILES EAST OF KINGSTON,
On the Banks of the St. Lawrence,
WITH A FULL VIEW OF THE
Thousand Islands and Lake Ontario.

ON WEDNESDAY, the 2nd day of MAY proximo, will positively be sold without any reserve, at JACKSON'S SALE ROOMS, King Street, Kingston,

A FARM OF 100 ACRES OF LAND, in the Township of Pittsburgh, situated between the residences of F. R. Lucas and William Ferguson, Esqs.

It is frequently said that good neighbors are one half the comforts of life. Such being the fact, there is a strong incentive to purchase and build on the delightfully situated land now offered. Irrespective of other valuable considerations, it is as a building site for a gentleman's residence not surpassed on this Continent.

The land offered consists of One Hundred Acres, being the easterly half of Lot letter A, Township of Pittsburgh, on the banks of the St. Lawrence in front, and intersected by the Kingston and Gananoque Macadamized Road—thus affording immediate and convenient access to the city either by water or an excellent road.

There is on the land an almost inexhaustible supply of the choicest limestone, suitable for building purposes, which can be conveniently shipped to any port east or west, constituting it very valuable in this respect as a speculation.

It is beautifully wooded with young oak and evergreens from twenty to forty feet in height. An Ice-house, except for dairy purposes, would be quite unnecessary, as the never-failing springs of pure cold water throughout the grounds cannot be excelled.

The description thus imperfectly given is only intended for the information of non-residents, as it would be paying a poor compliment to the good taste and judgment of the inhabitants of Kingston and surrounding country, to expatiate on the unsurpassed beauty, and the delightfully healthy position of the property alluded to. A gentleman desirous of either Woodcock, Snipe, Deer, or Pidgeon shooting, could, in their respective seasons, be here in the immediate proximity of the one, and within a few hours walk of the other; or, if disposed for Fishing, the St. Lawrence, which washes the front of the land, would yield him an unfailing supply of Salmon, Trout, Black Bass, and other Fish.

To the owner of such a locality, a trip to a watering place would be quite unnecessary. Notwithstanding, the place must be sold without any reserve, on the day named, as he owner is desirous of realizing whatever it will bring.

The terms of payment will be maile easy.

Sale at the subscriber's office ON WEDNESDAY, 2d MAY NEXT, at 1 o'clock punctually.

VICTORIA POTATO!

A QUANTITY of this Splendid Variety of Potato, which was propagated from the seed about seven years ago, and a few quarts of which were brought from Portland in Maine (where it was called the "State of Maine Potato"), by Dr. Sampson, of Kingston, and have multiplied so as to afford the means of a limited distribution, is now for sale by the Subscriber, who disposed of a few Bushels last Spring to a small number of persons, who agree in awarding it the preference to all other kinds known here; and who pronounce it to be early, extremely productive, white internally, and so mealy as scarcely to beat boiling, and, moreover, a good keeper. In short, farmers and others who would desire to establish a superior stock of this important article of food, should endeavor to procure the means of doing so.

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of
MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.
