Rev. Hughston preached on Sunday at Innistoge.

We extend sympathy to Mr. and Mrs. A. Stinson, Earnie and Marguerite in the loss of their daughter and sister, Mrs. Bert Badgerow.

Mr. and Mrs. Will Ludlow of Woodstock motored up to attend the funeral of the late Mrs. Badgerow.

Mr. Melville Hawe also attended the funeral, Mrs. Hawe accompanying him back.

The ladies of the W. M. S. held their Easter offering meeting in the church last Wednesday evening, after which the girls of the league served the boys with a pork and bean supper in the hall, the reward for the boys winnig the contest. The girls were not far behind. One thing that we think greatly to be recomended is that the boys were lacking some person to play the organ and one of the girls played for them, and the boys held themselves responsible for an organist for them This is surely the true spirit of the contest. Do the best you can to win and help the other side too.

fined $25!

A receipt from the Police Court Clerk is not nearly as attractive as one from a Brake Service Station who has tested and relined your brakes.

When you pay a fine—it's a total loss. Paying for a genuine Raybestos Brake Lining job saves money, and the knowledge that you can stop safely, quickly and surely in any emergency saves your peace of mind.

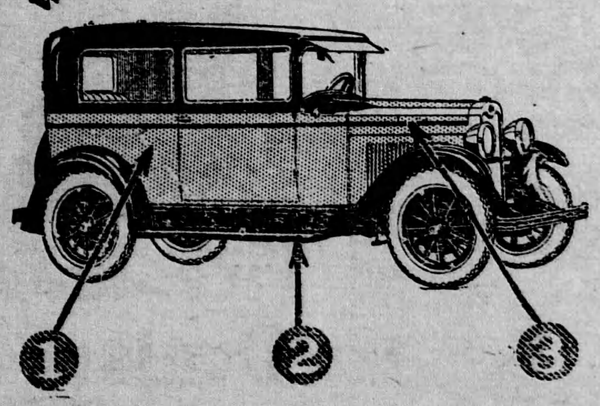
THE HIDDEN PLACES WHERE QUALITY COUNTS MOST



1 Body The emblem "Body by Fisher" stands for modern styling, safe, substantial construction . . . lasting beauty, and a score of important contributions to your comfort.

2 Chassis Compare the "Bigger and Better" Chevrolet Chassis with any other car in the low-price field. Look at its rugged, 4¾" deep steel frame, its sturdy cross members, its long semi-elliptic, shock-absorber springs, its safety gasoline tank in rear, its one-piece, banjo-type rear axle of enormous strength and ready accessibility. Check the four-wheel braking system and the independent set of emergency brakes.

3 Engine Look beneath the stylish hood of the "Bigger and Better" Chevrolet. See that sturdy, valve-in-head engine (the most powerful type of automobile engine yet designed), fully enclosed and protected. Note the AC Oil Filter, the AC Air Cleaner, Crankcase Breather System, Oil Pump. Notice the new alloy "invar-strut" pistons . . . the new hydro-laminated camshaft gears . . . the high grade electrical equipment. C-28-4-28C
