A GOOD STYLE OF ADVERTISING.—Mr. Kennedy, the Proprietor of Kennedy's Medical Discovery, has adopted a very good style of advertising; he takes a man afflicted with some painful humor, such as Scrofula, Salt-Rheum, Erysipelas, &c., cures him entirely with two or three bottles of his medicine, and returns him to the community a sound and healthy man. He, of course, mentions his recovery to every one he meets who is suffering from a similar disease to the one with which he was troubled; this man is also cured, and another advertisement is secured. The country is full of these living advertisements, who at any moment are willing to testify to the virtues of Kennedy's Medical Discovery.'

MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

PEALE'S COURT OF DEATH.

THE most elaborate and noted work of Art ever painted by an American Artist, is the '*COURT OF DEATH*,' by REMBRANDT PEALE. This painting covers 312 square feet of canvass—contains 23 Life Size Figures, and has never been valued at less than

25,000 Dollars.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid

CHROMO LITHOGRAPHIC ENGRAVING of it, presenting a perfect FACSIMILE COPY of the original painting, WITH ALL ITS BEAUTIFUL COLORS.

The size of the Engraving is 23 by 31 inches, and the price ($1) for which it is offered, is only one-fifth the usual price of similar works—100,000 being issued instead of 5,000, the usual number. The home of every family in the land, should be adorned with this picture, as, besides its beauty as an ornament, the lesson it teaches, illustrating the evils of Intemperance and War, and the end of a good—a Christian Life, are invaluable. Mr. Peale says of the Engraving: 'I can certify that it is an accurate and admirable copy of the Original Painting.' Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it, say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for one copy, $1 and four letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamps, and in strong rolls by return mail, with a description. If $4 or more is sent in a letter, get a draft, or have the letter registered. Write the Name, Town, County or State plainly. Address

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operation, and speak in terms of the highest commendation of its magical effects. We speak in this matter that we know, and fearlessness of after ten years experience, and pledge our reputation for the performance of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has used it, do not let the prejudices of others, nor your suffering child suffering from complaints of any of the foregoing kind, stand between you and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if time is given to test its virtues. We would say to every child suffering from the prejudices of others, your suffering child may be RELIEVED—yes, AS SURE to follow the use of it as night does the day.
