PEALE'S COURT OF DEATH.

THE most elaborate and noted work of Art ever painted by an American Artist, is the '*COURT OF DEATH*' by REMBRANDT PEALE. This painting covers 312 square feet of canvass—contains 23 Life Size Figures, and has never been valued at less than

25,000 Dollars.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid

CHROMO LITHOGRAPHIC ENGRAVING of it, presenting a perfect FACSIMILE COPY of the original painting, WITH ALL ITS BEAUTIFUL COLORS.

The size of the Engraving is 22 by 31 inches, and the price ($1) for which it is offered, is only one-fifth the usual price of similar works—100,000 being issued instead of 5,000, the usual number. The hope of every family in the land, should be adorned with this picture, as, besides its beauty as an ornament, the lesson it teaches, illustrating the evils of Intemperance and War, and the end of a good—a Christian Life, are invaluable. Mr. Peale says of the Engraving: 'I can certify that it is an accurate and admirable copy of the Original Painting.' Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it, say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for one copy, $1 and four letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamps, and in strong rolls by return mail, with a description. If $4 or more is sent in a letter, get a draft, or have the letter registered. Write the Name, Town, County or State plainly. Address

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is quite as agreeable as MOTHER'S MILK.

Depend upon it mothers, it will give rest to yourselves and relief and health to your infants.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE when timely used. Never did we know an infant to REGRET its use. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter what we know, after ten years' experience, and RISKING THE REPUTATION WE HAVE GAINED for veracity and reliability, on WHAT WE SAY HERE. In almost every instance where the child is suffering from pain and exhaustion, relief will be found in about ten or twenty minutes after the syrup is administered.

This invaluable preparation is the prescription of one of the most experienced nurses in New England, and has been used with never-failing success in thousands of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. This syrup will almost instantly relieve griping in the bowels and GRIPE WATER, and overcome convulsions, which if not speedily remedied, end in death. We believe it is the best remedy in the world in all cases of DYSENTERY AND DIARRHŒA in children, whether it arises from teething or from any other cause. We would say in every case where a mother or nurse once puts it to her child, she will find it will cast all other medicines aside, and no mother will be willing to dispense with the use of it, once her attention is directed to its effects. For sale by all Druggists throughout the world. Principal Office, 48 Dey Street, New York.

Price only 25 cents per bottle. 139 e

MOTHERS

Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OPIUM FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but Dr. EATON'S INFANTILE CORDIAL; this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS indicating Consumption, use No. 1, which is also the No. for Impression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption if is TAKEN BY DROPS and carried immediately into the circulation, so that you gain you results. The No. 4 is for Female Irregularities, Hysteria, Weaknesses, &c. See special directions for use. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5.
