NERVOUS DEBILITY

OUR NEW METHOD TREATMENT will cure you and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and mental systems are invigorated; all drains cease—no more vital waste from the system. The various organs become natural and manly. You feel yourself a man and know marriage cannot be a failure. We invite all the afflicted to consult us confidentially and free of charge. Don't let quacks and fakirs rob you of your hard-earned dollars.

BEFORE TREATMENT

AFTER TREATMENT

Peter E. Summers, of Kalamazoo, Mich., relates his experience:

"I was troubled with Nervous Debility for many years. I lay it to indiscretion and excesses in early youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, went to Mt. Clemens for baths, but received little benefit. While at Mt. Clemens I was induced to consult Drs. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and it saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically. I have sent them many patients and will continue to do so."

FARM LABORERS' EXCURSIONS

25,000 Men Wanted for Western Harvesting

To meet as far as possible the unusual demand for farm laborers in Manitoba, Saskatchewan and Alberta, the Canadian Pacific Railway will run special second class excursions from all Ontario stations. Cost of a one-way ticket to Winnipeg is $10 00, and from Winnipeg to points where laborers contract to work they will be carried without charge. After at least one month's work in the harvest field a ticket back to Ontario starting point will be issued at $18. Tickets are only good on Farm Laborers' special trains, and will be issued to women, but no half-rate for children. Leaving dates of excursions are as follows:—

August 14th and Sept. 8th, from all the stations in the territory between Toronto-North Bay line and Toronto Sarnia line.

August 19th, and Sept. 9th, from all stations on Toronto-Sarnia line and south thereof (in Canada).

August 22nd and Sept 11, from all stations east of Toronto-North Bay line, to and including Kingston.

For the three excursions in August special trains will be run from all points on the C. P. R. If you are in any doubt as to date of excursion from your district apply to local C. P. R. agent, who will also furnish times of special trains, or write to C. B. Foster, District Passenger Agent, C. P. R., Toronto.

In Good Luck

"About two years ago my father came here from Mason City, Iowa, on a visit" says O. L. Scott, Duffield, Mich. "While here he was taken sick with diarrhoea and cramps. I gave him several doses of Chamberlain's Colic Cholera and Diarrhoea Remedy and it cured him." This Remedy always cures. It is for sale by W. E. Richardson.

They Didn't Do It

This year a baseball team was organized at Proton Station. The team bought nice new uniforms and thought they could play ball. Perhaps this think was justified for they won every game they went after. For a long time they have been casting eyes northward and on Monday night they met the Flesherton team on the Proton diamond wfth great hopes of an easy victory. This didn't show up and at the end of 5 innings there were only 2 runs tallied to the credit of each team.

Now Flesherton doesn't claim to have a wonderful baseball team, but we do think that the Proton bunch is no better. Smith's brilliant twirling did the trick for the visitors all right.

The boys speak highly of the treatment accorded him by Mine Host Armstrong of the Proton hotel

The books of the treasurer of the township of Proton are undergoing a special audit in Toronto at the request and under petition of some of the ratepayers who are not satisfied with the annual audit as done by the local auditors. —Herald.

For the benefit of those who prophesied nothing but blue ruin for the town as soon as local option came in force, we are pleased to state that one of our merchants has handed us a statement of his business for the months of May and June, 1907, and also for the same months this year, and the latter exceeds the former by $1051.96. That doesn't look as though local option was doing the town any harm. Local option hurts no business but the whiskey business and that's no good to anybody.—Creemore Star.

Mr. Russel McGirr has purchased the noted race horse Captain Sphinks, with a record of 2 06¼. The horse arrived on Friday and was shipped to Wiarton on Saturday, where he won the free-for-all, beating such horses as Peril Tippin 2.10¼, the General 2.09¼, Vickey Clock 2.16, and Nellie Bright 2 20 He left Wiarton for Walkerton yesterday to enter in the free-for-all. Capt. Sphinks holds the Michigan State record and is one of the best race horses in Canada to day. He is a half brother to Red Top, now owned by Mr. Jas. Ferguson.—Meaford Express
