The Value of Economy

Many people fail to save, because they do not realize the importance of small economies.

The practice, once begun, of laying aside a portion of your income, no matter how small, every week or month, will soon become a fixed habit.

The result in a few years will probably surprise, and certainly gratify you.

Western Call For Men

25,000 Harvesters are Needed and Good Wages Offered.

Preparations have commenced in earnest for the handling of the Northwest's big wheat crop, the only difficulty being the scarcity of labor in the harvest fields. To induce men to go to the West the C. P. R. has made the remarkably low rate of ten dollars from Ontario. This fare carries the ticket holder to any point on the company's lines east of Moose Jaw; trains are run direct to Winnipeg, and the men are re-ticketed there for the points where they wish to work. After at least one month's work in the field, laborers are issued tickets back to Ontario starting point at $18.00. Leaving dates of Canadian Pacific excursions are Aug. 18, Sept. 1, 8 from stations north-west of Toronto, Aug. 18, 19, Sep. 1, 9, from stations south-west of Toronto, and Aug. 20, 22, 27, Sep. 2, 11, 14 from stations east of Toronto. The most important excursions are Aug. 18 and 20, and on these dates special trains will be run from all C. P. R. stations, times of which agents will furnish. The C. P. R is the only Canadian route to the West, and the only line carrying farm laborers through without change. Apply to ticket agents, or C. B. Foster, District Passenger Agent, Toronto, for full information.
