The Flesherton Advance

Is published every Thursday at $1.00 per annum if paid in advance, $1.50 if not so paid

The fight for the Presidency of the United States was wound up on Monday and the voting took place on Tuesday. The competition has been keen and both candidates have worked hard for success. W. J. Bryan the Democratic candidate made as many as twenty one speeches in one day. There is something about Mr. Bryan that commands the respect and admiration of Canadians. He has twice before been a candidate for the Presidency, meeting with failure each time. Nothing daunted he has again tackled the problem and has great hopes of success. In this regard, so so has Taft, the Republican.

The following from the two great leaders, given out before the voting, is interesting;

"There is no doubt in my mind that the Republican national ticket will win at the polls next Tuesday by a splendid margin. I will leave the matter of estimating just how large our majority will be to those who are more expert in statistics than myself. I am confident, however, that the result will be suficiently gratifying to even the most enthusiastic of our party workers."—William Howard Taft.

"The fight is over. I believe that I shall be elected by a handsome majority. Many of the close Republican States and several of the so-called doubtful States will swing into the Democratic column. The great labor vote is with the Democratic party also to a man. This will be shown in the results in Indiana, Ohio and New York. I have never had any doubt about the West. We have a fighting chance in several States that are regarded surely Republican."—William Jennings Bryan,

Canada Votes Solid.

There may be a difference of opinion amongst the voters of Canada regarding political matters, but when it comes to a question of a newspaper to suit the Canadian people the vote is solid for the Family Herald and Weekly Star of Montreal. It is marvellous what popularity that paper enjoys. It is well deserved too for it is beyond question the best dollar's worth to be had. Every home in Canada should receive that great weekly, when it can be had for one dollar a year. In this section it reaches almost every home, and not one of them would think of letting their subscriptions expire. The Family Herald and Weekly Star is too good to miss even a single copy.

The following is the summary of the vote in East Grey. The full vote was not known at the time of going to press last week.

Accident to Thos. Thornbury---Catamount Shot---Other News.

The weather has taken a sudden change and the cold wind of the past week indicates that winter is at hand.

The deer hunting season is with us again and the stories told in and out of camp will rival the biggest fish yarns ever spun.

While Mr. Thos. Thornbury was adjusting the chain of a bicycle a few days ago he got his finger caught between the chain and the sprocket wheel nearly severing two of the fingers of his right hand.

Mr. A. J. Conron of Feversham has gone up north for the hunting season. Mr. Conron is an experienced deer hunter and also a first class taxidermist and gets the job of mounting nearly all the deer heads that come this way with the hunters.

Your correspondent had a look at a very fine specimen of a catamount or wild cat which was shot by Mr. Mitchell of Mitchell Mills, Rock Haven, and is being mounted by Mr. Conron of Feversham. The cat is a ferocious looking fellow and measures over 3 feet.

Mr. Henry Smith of————is visiting with his brother, Wm., of the 10th line.

Mr. Jas. Speer has got settled in his new brick cottage on Mill street in Feversham.

Mr. Jas. Conn will soon have his new house completed in Feversham. This village is growing and the business increasing. It taking 3 good stores to supply he demands of the surrounding country.

Cure Your Dandruff

Why? Because it is annoying, untidy. And mostly, because it almost invariably leads to baldness. Cure it, and save your hair. Get more, too, at the same time. All easily done with Ayer's Hair Vigor, new improved formula. Stop this formation of dandruff!

Does not change the color of the hair.

Ayer's — Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says

The new Ayer's Hair Vigor will certainly do this work, because, first of all, it destroys the germs which are the original cause of dandruff. Having given this aid, nature completes the cure. The scalp is restored to a perfectly healthy condition.
