The annual fowl supper of the Women's Institute, held Nov. 9th, was a decided success. The hall was nicely decorated with green boughs and Union Jacks, and the tables were something grand, beautifully decorated with flowers, and one special decorating touch for this time of the year was all the salads and meat plates were garnished with lettuce leaves, which made the tables very attractive. They were provided by our member, Mrs. Geo. Burk, which shows the interest she has in this organization. Cooking was no scarcity and over eighty guests sat down and partook very heartily. The program was as usual of the very best of talent The Pres., Mrs. Gamey, took the chair and presided in a most able manner, and gave a report of the convention held at Chatsworth, which was appreciated by all. The Sec, Miss L. Guy, then gave a short address on the great work of the Women's Institute, some of its objects and benefits and of the great necessity of Women's Institutes. Speeches were given by Rev. Mr. Balantyne, Dr. Bond and Mr. Andrew. An excellent reading was given by Mrs. Down. Recitations by Mrs. (Rev.) Stanley and Miss Spofford were rendered in such a way that will be remembered by all who heard them. Mr. John Black and Harry Guy furnished first class instrumental music, and a duet by Mrs. (Rev.) Balantyne and daughter was all that could be wished for. Harry Guy and Mr. Sullivan charmed the audience with comic songs.

The Epworth League and Sunday school anniversary last Sunday evening, in the Methodist church, was very helpful. A large congregation listened to a powerful and well delivered sermon by Rev. Heraix of Toronto, also gave interesting and helpful addresses.

The sad news reached here last Friday of the death of Mr. and Mrs. W. Campbell's second eldest son, Archie, who passed peacefully away in the hospital in Minneapolis on Nov. 5th, aged 27 years, 5 months. One comfort his family here have is that his brother Willie and sister Ethel were with him in his last days in the hospital. The remains were expected home on Monday, coming by Flesherton station. The funeral took place on Tuesday to Swinton Park cemetery. The family has the deepest sympathy of the community in their sad bereavement.

We see but dimly through the mists and vapors
Amid these earthly damps;
What seems to us but sad, funereal tapers.
May be Heaven's distant lamps.

There is no Death! What seems so is transition:
This life of mortal breath
Is but a suburb of the life elysian,
Whose portals we call Death.

Born—At Eugenia on Nov. 5, to Mr. and Mrs. Win. Large, a son.

Mr. T. E. Fenwick had a narrow escape on Friday, from being burnt out, fortunately he was at home and saw the smoke from the kitchen roof. He called for help but when the men came the roof was all on fire. They got the roof knocked off the back kitchen and saved the front part. Mrs. Fenwick was baking and the stove had got over-heated. Only for the snow on the roofs, his whole buildings would have gone up in smoke.

Mr. Morgan held a meeting at the Orange hall to find out if the farmers would be willing to sell their timber at a good price. All were unanimous to support him, and as there is plenty of good maple in the surrounding country, there will be no difficulty to get an unlimited supply. Everyone was favorably impressed with Mr. Morgan's straight forward manner and there is not a doubt but he will find the people have really joined him and give him every encouragement. He hopes to start at the new year.
